Millions have vanished... War has erupted around the globe... Cities have been ransacked and overrun with lawlessness... Yet this is only the beginning of the chaos that is to come. Emma Grady has seen civilization collapse and New York gutted by nuclear attack. Amidst this international crisis, she and her growing family of outcasts must unravel the meaning of these strange and horrifying events, even as they struggle to survive. On the other side of the world, Zerah Adler finds Israel surrounded by invaders intent on total annihilation. In Jerusalem, two men have the power to

stop the rain and call down plagues of every kind. Are they sorcerers, or do they have the power of God? And a magnetic new leader has emerged, promising to provide peace and even salvation to the globe. In the gripping follow-up to *The Time of Jacob's Trouble*, bestselling author Donna VanLiere explores the end times through the journeys of Emma, Zerah, and others who face unprecedented danger. In the final chapters, you'll discover what God's Word says about our world's future and yours—and realize that things aren't spiraling downward but are actually looking up!

The Student Bible

Jacob Milgrom was a man of deep faith and deep learning. As teacher and scholar he is best known for his work on ancient Israel's religion, especially its cultic expression in tabernacle and temple. His command of this subject is evident in his massive, three-volume commentary on Leviticus (*Anchor Bible Commentary*) and his commentary on Numbers (*JPS Torah Commentary*). This provides perfect background for one who seeks to instruct us on the final chapters of Ezekiel. In this volume Milgrom guides us engagingly through Ezekiel's oracle against Gog (chs. 38-39) and his final vision of Israel's physical and spiritual restoration (chs. 40-48). Regrettably Professor Milgrom did not live to see his work on Ezekiel appear in print. Given his influence on biblical scholarship far beyond his native Jewish world, it is fitting that this final form of this project be cast as an interfaith dialogue with Daniel Block, who has himself written a major two-volume commentary on Ezekiel (*NICOT*).

This volume offers a window into how one Jewish scholar engaged with the work of a Christian scholar. It invites readers to listen in on their conversation, in the course of which they will also hear the voices of medieval Jewish rabbis, particularly R. Eliezer of Beaugency and R. Joseph Kara. While Block and Milgrom are free to disagree in their reading of particular texts, readers will find this dialogue illuminating for their own understanding of the last chapters of Ezekiel.
