to earn. All of us are deeply and intrinsically worthy of love - not only the love we hope to receive from others, but the love we give to ourselves - and this book offers the insight and practical tools we need to stay firmly grounded in self-love as we ride out the natural (and often stormy) cycles of relationships. Meggan and Lodro's unique perspectives as teachers and scholars of Christian mysticism and Buddhism respectively make for a rich and lively dialogue that draws on wisdom sources like the Gospel of Mary Magdalene and the Four Noble Truths, along with funny, revealing stories from their own love lives and their deep friendship with each other. You'll find guidance for embracing single life, dating with an open heart, and thriving in lasting love; meditations and practices for calm abiding, "disciplined hope," and connecting to the source of love within you; and tips on everything from sex, self-worth, and nourishing friendships to navigating breakups and learning to truly love yourself. Ultimately, you'll be able to see your ideal partner in a new light - not as someone who "completes" you, but as someone who mirrors back to you your own wholeness.

Beginning with an analysis of the basic issues and frustrations inherent in contemporary society's conditioning of and expectations for women, readers travel back in time to the age of the great temples, schools, and sacred societies in which women still held and transmitted the spiritual light that nourished all of civilization. Through its mythic and historic tales, descriptions of sacred ritual practices, and teachings on the Goddess traditions, The Path of the Priestess provides contemporary women with the means to enter this time-honored path. “A fascinating ‘herstory’ of the Divine Feminine, rich in heart, depth and wisdom . . . an empowering message of hope and inspiration.”

—Katherine Woodward Thomas, New York Times–bestselling author At the dawn of religion, God was a Woman. The Divine Feminine is known by innumerable names and symbol-rich manifestations across the world’s cultures. Throughout the ages the Goddess has been honored and worshiped as the Virgin Mary, Isis, Inanna, Asherah, Diana, Kuan Yin, Kali, Oshun, Athena, Pele, Sarasvati, Demeter, and White Buffalo Calf Woman, to mention just a few. Goddess Power takes you on a fascinating and, at times, surprising journey into the enduring essence of the Divine Feminine. Inside this book you will learn:

- How the Goddess path offers an empowering message and inspiration
- The importance of re-establishing a healthy balance and integration of both the “masculine” and the “feminine” archetypes
- That the notion of God as archetypal “Sky-Father” is fairly recent in Western culture
- Why the wisdom of the Goddess/Sacred Feminine has been ignored, distorted, and oppressed for centuries
- How archetypes, mythic narratives, and qualities of Goddesses are alive within you and how they reveal intimate truths about yourself and others
- How Goddesses can serve as empowering guides in your personal and professional life
- Why especially black Goddesses/dark-skinned Mothers (e.g., Kali or Black Madonna) are a powerful symbol and catalyst for change in our times,

### **Soulful Woman Guidance Cards**

Harvard-trained theologian Meggan Watterson marched out of her church at age ten. With little-girl clarity, she knew something tremendously crucial was missing—the voices of women. Watterson became a theologian and a pilgrim to the divine feminine to find the missing stories and images of women's spiritual voices. She knew women's voices had never been silenced, just buried. But what she truly sought was her own spiritual voice inside her—the one veiled beneath years of self-doubt. At a sacred site of the Black Madonna in Europe, Watterson had a revelation that changed her. Rather than transcending the body, denying or ignoring it, being spiritual for her meant accepting her body as sacred. Only then, Watterson realized could she hear the voice of unfaltering love inside her—the voice of her soul. With passion, humor, and brutal honesty, Watterson draws on ancient stories and

lesser-known texts of the divine feminine, like The Gospel of Mary Magdalene, making them modern and accessible to reveal the spiritual process she went through. She suggests that being spiritual is simply about stripping down to the truth of who we really are. Through her extensive work with women, Watterson found that she was not alone. There are countless women who long for a spirituality that encourages embodiment rather than denies it, that inspires them to abandon their fears but never themselves, and to be led by the audacious and fiercely loving voice of truth inside them. No matter where you rest on the spectrum of spirituality; religious or secular, devout believer or chronic doubter, freelance mystic or borderline agnostic, this story is about the desire in all of us to want to shed everything that holds us back. *Reveal* provides what religions have left out--the spiritual voice of a woman who has claimed her body as sacred--a woman who has found the divine insider her. In essence, this is a manual for revealing your soul. "I have spent the majority of my life gathering stories of the divine feminine. Each time before getting my masters degrees in theology and divinity, I went on a pilgrimage to sacred sites of the divine feminine throughout Europe. The first one was with a group and the second was on my own. The stories of the divine feminine, of Christianity's Mary Magdalene, Catholicism's Black Madonna, Hinduism's Kali ma, and Buddhism's Green Tara for example,

allowed me to begin to see that I wasn't as much of a spiritual misfit as I had thought. There was a red thread that became visible to me that ran through so many of the world religions, especially through their mystics, relating that the way to find the divine is to go within. And, that our potential to be transformed by going inward is exactly the same whether we are a man or a woman. The real barometer of our spiritual potential is not our sex, but the commitment of our desire to want to encounter the divine." Excerpt from Reveal

### **Angels and the Ancestors Oracle Cards**

Here's why I wrote this little book of love poems. What I have wanted most in this life is a love that will never leave. And I realized that maybe I hadn't met with a love like that outside of me, in someone else, because I hadn't met an unfaltering love from within me. So I decided I would retreat for 40 days with my red pen to try to tether together the small-ego-everyday-me to the me that's a lighthouse-type-of-soul, the me that's just undiluted love. I wanted to anchor once and for all into the love that's within me, to a love that could never leave because it's the truth of who I am. Whether I'm with a partner or alone, I wanted to feel free- entirely my own- an Ouroboros whose love circles back into herself. This book is one-part sutras, one-part

love poems, and one-part psychic twine. They tell my whole truth. They reveal my ardor for the divine. They unite the masculine, manly aspects of me with the womanly, feminine aspects of me that I have sought to balance. They reconcile body and soul, human and divine, animal and angel, light and the dark, or basically- all that we can be conscious of containing. What I didn't realize until after I wrote this book is that there's an ancient Tantric text called the Vijnana Bhairava Tantra, which is translated as something like "the terror and joy of realizing oneness with the soul." It contains a poetic dialogue between the divine feminine and the divine masculine, between Shiva and Shakti, but in the case of this book it's more like a sacred back and forth between Jesus Christ and Mary Magdalene. Ultimately, this book is a collection of love letters to and from my own soul. The Sutras of Unspeakable Joy are the 40 days I devoted to ending a pattern of thinking that love, true and unwavering, was something I would meet outside of me. It's a poetic conversation between the side of me that keeps forgetting that the deepest source of love comes from the divine and can only be met from within. And that side of me that is that love, completely, utterly, fully. And what I did by devoting these 40 days to trying with words to realize oneness with the soul- is that I embodied the truth I have always taught. That love is what we are, not what we find- that true love is here- within us. And, that

Elizabeth Clare Prophet examines controversial questions being asked today: What was Jesus' relationship with Mary Magdalene? Who is the Divine Mother? Is God only male? Mary Magdalene and the Divine Feminine explores the archetypal role of the Divine Feminine in Eastern and Western spirituality and helps to clarify the position of Mary Magdalene. Early Church leaders denied Jesus' message on reverence for Woman and on the inner feminine potential of both man and woman. As a result, his teaching was lost for 2,000 years and only recently rediscovered in ancient texts. Includes 55 black and white illustrations, 2 maps and 12 questions for discussion.
