"Rodrigo Toscano's Collapsible Poetics Theater is a genre-expanding force to be reckoned with. From polyvocalic pieces for multiple

Free Copy PDF The Fair Play Deck A Couples Conversation Deck For Prioritizing Whats Important

readers to 'body-movement poems' to 'simultaneous activities pieces' to anti-masques and plays, these fourteen texts & scores constitute one of the most sustained studies of poetic thinking and action to come in a long time. The question Toscano poses is 'can the poem be tested any further?' "With a cape, confetti and placard, two players and Master of Ceremonies conduct their feints and dodges about concepts of engagement and faith. Has this author been reading the critical social spatiality of Michel de Certeau? The author has certainly been reading poetics, from Mikhail Bakhtin's radical linguistics to the controlled clamor of Carla Harryman's dramatic praxis. The art of play has found a talented proponent." --Marjorie Welish, 2008 National Poetry Series Judge

For Mothers of Difficult Daughters

The ultimate guide to building confidence in your body, beauty, clothes and life in an era of toxic social media-driven beauty standards. "A self-confidence bible that every woman should read."—Caroline Dooner, author of *The F*ck It Diet Empowering*, insightful, and psychology-driven, *Beyond Beautiful* is filled with proven, no-BS strategies for proactive self-care. This stylish and practical handbook takes a deep-dive into all of the factors that make

Free Copy PDF The Fair Play Deck A Couples Conversation Deck For Prioritizing Whats Important

it hard to feel good about yourself, and offers sage answers to tricky questions, like:

- Why do I hate the way I look in pictures?
- How can I stop feeling like a total slob compared to everyone on social media?
- How exactly does this "self-love" thing work?
- How do I find the confidence to use less make up, stop shaving, or wear what I want?
- Is body positivity really the answer?

Illustrated with full-color art, *Beyond Beautiful* is a much-needed breath of fresh air that will help you live your best life, know your worth, and stop wasting any more precious energy and mental space worrying about the way you look. Praise for *Beyond Beautiful* "This compact book delves into every aspect of the body-image problem and sets forth feasible ideas for accepting one's physical appearance to enhance confidence and joy."—*Library Journal* (starred review) "Rees's emboldening message will surely help any reader struggling with self-confidence."—*Publishers Weekly*

Aeneid

Be a Confident Parent from Day One "Evie and Sarah artfully marry expert etiquette and parenting advice in a fun, modern, and valuable way." —*Heidi Dulebohn*, international cultural consultant and etiquette expert #1 New Release in Children's Studies Social Science Parenting

Free Copy PDF The Fair Play Deck A Couples Conversation Deck For Prioritizing Whats Important

doesn't happen in a bubble, but you wouldn't know that from other parenting books. Own this humorous, often irreverent take on what parenting in public is really like. Real-world advice on embarrassing moments parents with young kids face every day. When you're raising kids, you're thrown into dilemmas you could never have dreamed up. A diaper disaster in the middle seat during take-off. Naked baby bath photos your mother-in-law posts online without permission. An unexpected gift that leads to a tantrum in front of the gift-giver. How can you turn these into opportunities to be an A+ parent and friend, role model, and member of your community? They've done the research so you don't have to. Authors Sarah Davis, Ed.D., and Evie Granville, M.Ed., are educators, manners mavens, and creators of a blog and podcast dedicated to parenting etiquette. Their two families total six young kids. Modern Manners for Moms & Dads unpacks the complicated social code for parents of kids ages 0 to 5. Sarah and Evie help you discover a public parenting style within a unique framework, analyze your gut reactions to sticky situations, and choose a course of action that balances the needs of parent, child and others. Written by and for busy parents, this guide includes parenting tips, lists, charts, pop quizzes, personal anecdotes, and practical advice. Also offered is child rearing guidance from real experts on:

- Leading your family with kindness and awareness
- Setting a good

example (and realistic expectations) for little ones • Maintaining friendships and good communication If you are a fan of etiquette books like A Kid's Guide to Manners, Dude That's Rude, or 365 Manners Kids Should Know, you're going to love Modern Manners for Moms & Dads (Kids 0-5).

The Unexpected Joy of Being Single

From the celebrated, award-winning translators of Anna Karenina and The Brothers Karamazov: a lavish volume of stories by one of the most influential short fiction writers of all time Anton Chekhov left an indelible impact on every literary form in which he wrote, but none more so than short fiction. Now, renowned translators Richard Pevear and Larissa Volokhonsky give us their renderings of fifty-two Chekhov stories. These stories, which span the complete arc of his career, reveal the extraordinary variety and unexpectedness of his work, from the farcically comic to the darkly complex, showing that there is no one single type of "Chekhov story." They are populated by a remarkable range of characters who come from all parts of Russia and all walks of life, including landowners, peasants, soldiers, farmers, teachers, students, hunters, shepherds, mistresses, wives, and children. Taken together, they demonstrate how Chekhov democratized the form. Included

Free Copy PDF The Fair Play Deck A Couples Conversation Deck For Prioritizing Whats Important

in this volume are tales translated into English for the first time, including “Reading” and “An Educated Blockhead.” Early stories such as “Joy,” “Anguish,” and “A Little Joke” sit alongside such later works as “The Siren,” “Big Volodya and Little Volodya,” “In the Cart,” and “About Love.” In its range, in its narrative artistry, and in its perceptive probing of the human condition, this collection promises profound delight.

MATH IN SOCIETY

A new voice in comics is incisive, funny, and fiercely feminist. "The mental load. It's incessant, gnawing, exhausting, and disproportionately falls to women. You know the scene--you're making dinner, calling the plumber/doctor/mechanic, checking homework and answering work emails--at the same time. All the while, you are being peppered with questions by your nearest and dearest 'where are my shoes?', 'do we have any cheese?'" --Australian Broadcasting Corp on Emma's comic In her first book of comic strips, Emma reflects on social and feminist issues by means of simple line drawings,

Free Copy PDF The Fair Play Deck A Couples Conversation Deck For Prioritizing Whats Important

dissecting the mental load, ie all that invisible and unpaid organizing, list-making and planning women do to manage their lives, and the lives of their family members. Most of us carry some form of mental load--about our work, household responsibilities, financial obligations and personal life; but what makes up that burden and how it's distributed within households and understood in offices is not always equal or fair. In her strips Emma deals with themes ranging from maternity leave (it is not a vacation!), domestic violence, the clitoris, the violence of the medical world on women during childbirth, and other feminist issues, and she does so in a straightforward way that is both hilarious and deadly serious.. If you're not laughing, you're probably crying in recognition. Emma's comics also address the everyday outrages and absurdities of immigrant rights, income equality, and police violence. Emma has over 300,000 followers on Facebook, her comics have been shared 215,000 times, and have elicited comments from 21,000 internet users. An article about her in the French magazine L'Express drew 1.8 million views--a record since the site was created. And her comic has just been picked up by The Guardian. Many women will recognize themselves in THE MENTAL LOAD, which is sure to stir a wide ranging, important debate on what it really means to be a woman today.

Questions for Couples Journal

Americans are taught to believe that upward mobility is possible for anyone who is willing to work hard, regardless of their social status, yet it is often those from affluent backgrounds who land the best

Free Copy PDF The Fair Play Deck A Couples Conversation Deck For Prioritizing Whats Important

jobs. Pedigree takes readers behind the closed doors of top-tier investment banks, consulting firms, and law firms to reveal the truth about who really gets hired for the nation's highest-paying entry-level jobs, who doesn't, and why. Drawing on scores of in-depth interviews as well as firsthand observation of hiring practices at some of America's most prestigious firms, Lauren Rivera shows how, at every step of the hiring process, the ways that employers define and evaluate merit are strongly skewed to favor job applicants from economically privileged backgrounds. She reveals how decision makers draw from ideas about talent—what it is, what best signals it, and who does (and does not) have it—that are deeply rooted in social class. Displaying the "right stuff" that elite employers are looking for entails considerable amounts of economic, social, and cultural resources on the part of the applicants and their parents. Challenging our most cherished beliefs about college as a great equalizer and the job market as a level playing field, Pedigree exposes the class biases built into American notions about the best and the brightest, and shows how social status plays a significant role in determining who reaches the top of the economic ladder.

Life

The first mother-daughter book for mothers, featuring a new Afterword and a Reading Group Discussion Guide, Do you long for a better relationship with your daughter?, Do you occasionally feel as though you have failed as a mother?, Do you blame yourself because your relationship with your daughter is strained, faltering, or nonexistent?, Do you feel that the relationship is unchangeable and that there is no chance that it could become a nurturing and deeply satisfying friendship? Dr. Charney Herst knows that there is always more than one side to a story, and in her book, For Mothers of Difficult Daughters, she uses her twenty-five years of experience as counselor and group therapist to provide mothers with solutions that work. In the book she first helps you understand your particular relationship with your grown daughter--untangling the complex web of personal history and intense emotion inherent in any mother-daughter relationship. Then she describes practical, successful, mother-tested steps you can take to repair this all-important bond.

The Art of Game Design

A Best Book of 2017: The Guardian (SF and Fantasy), NPR Book Concierge, Publishers Weekly (SF/F), Library Journal (SF/F), Bustle (Fiction), Bookish (Best Book to Give), Barnes & Noble (SF and Fantasy/Alternate Universe Pick). 2018 Locus Award Finalist (First Novel) CLMP Firecracker Award Winner John W. Campbell Award for Best New Writer, Finalist Lambda Literary Award Finalist, LGBTQ SF/F/Horror A Stonewall Book Award Honor Book Included in the American Library Association's GLBTRT 2019 Over the Rainbow List Included in Hypable's list of book recommendations related to Captain Marvel "What Solomon achieves with this debut--the sharpness, the depth, the precision--puts me in mind of a syringe full of stars. I want to say about this book, its only imperfection is that it ended. But that might give the wrong impression: that it is a happy book, a book that makes a body feel good. It is not a happy book. I love it like I love food, I love it for what it did to me, I love it for having made me

Free Copy PDF The Fair Play Deck A Couples Conversation Deck For Prioritizing Whats Important

feel stronger and more sure in a nightmare world, but it is not a happy book. It is an antidote to poison. It is inoculation against pervasive, enduring disease. Like a vaccine, it is briefly painful, leaves a lingering soreness, but armors you from the inside out." --NPR "Ghosts are 'the past refusing to be forgot,' says a character in this assured science-fiction debut. That's certainly the case aboard the HSS Matilda, a massive spacecraft arranged along the cruel racial divides of pre-Civil War America." --Toronto Star "This novel from an exciting new voice follows Aster, who lives in the slums of a spaceship that is escorting the last survivors of humanity to a Promised Land--a journey that has taken decades so far. The vessel is segregated and cruel, and as she tries to escape, she starts discovering dark connections between her own mother's death and the fate of the ship's sovereign. Solomon has already been called a successor to Octavia Butler, rightly so." --Elle UK "In Rivers Solomon's highly imaginative sci-fi novel An Unkindness of Ghosts, eccentric Aster was born into slavery on--and is trying to escape from--a brutally segregated spaceship that for generations has been trying to escort the last humans from a dying planet to a Promised Land. When she discovers clues about the circumstances of her mother's death, she also comes closer to disturbing truths about the ship and its journey." --Buzzfeed "Rivers Solomon's debut science fiction novel

Free Copy PDF The Fair Play Deck A Couples Conversation Deck For Prioritizing Whats Important

is cunning, dark, and unapologetic; atmospheric and visceral; the kind of story that pulls you in and doesn't let go. Aboard the HSS Matilda, a spaceship in the future, Solomon and her characters deftly tackle race, identity, sexuality, gender, poverty, and discrimination, all with thoughtful insight and thrilling intensity. This is a difficult work that pays off; the rare kind of book that stays with you for years. You should read it now--I plan to read it again." --Shondaland

Aster has little to offer folks in the way of rebuttal when they call her ogre and freak. She's used to the names; she only wishes there was more truth to them. If she were truly a monster, she'd be powerful enough to tear down the walls around her until nothing remains of her world. Aster lives in the lowdeck slums of the HSS Matilda, a space vessel organized much like the antebellum South. For generations, Matilda has ferried the last of humanity to a mythical Promised Land. On its way, the ship's leaders have imposed harsh moral restrictions and deep indignities on dark-skinned sharecroppers like Aster. Embroiled in a grudge with a brutal overseer, Aster learns there may be a way to improve her lot--if she's willing to sow the seeds of civil war.

The Everything Tabletop Games Book

Free Copy PDF The Fair Play Deck A Couples Conversation Deck For Prioritizing Whats Important

Tabletop and board games aren't just for rainy days or awkward family events anymore. As the game industry grows, people of all ages are jumping to play "the original social network." In our ever-increasing technological world, playing old-school games is a welcome retreat from the overexposure to Instagram, Twitter, Facebook, and the rest of social media. Over the past few years, board games have become the hot new hobby. Instead of friends sitting around the same table and staring at their phones, they are now either working with or against each other. Millions upon millions of new fans have begun to join their friends in real life for a fun game of Pandemic, 7 Wonders, or Ticket to Ride. The Everything Tabletop Games Book shows how to play some of the best tabletop games in the world, from classic strategy games like Settlers of Catan to great new games like Gloomhaven. Throughout the book, you'll learn the different genres of tabletop and board games; how to play each game; rules and strategies to help you win; and even where to play online—including new expansions to keep your favorite games fresh and exciting. So gather up some friends, pick a game from this book, and start playing! You'll be having a blast in no time.

author offers innovations on old routines and some new routines that encourage reasoning, argumentation, and the development of important math ideas. She focuses on using math routines in playful ways with your children. See chapter titles for the different routines featured in the book"--

Fair Game

From the bestselling author of *It Happened at the Fair* comes a historical love story about a lady doctor and a Texas Ranger who meet at the 1893 Chicago World's Fair. Saddled with a man's name, Billy Jack Tate makes no apologies for taking on a man's profession. As a doctor at the 1893 Chicago World's Fair, she is one step closer to having her very own medical practice—until Hunter Scott asks her to give it all up to become his wife. Hunter is one of the elite—a Texas ranger and World's Fair guard specifically chosen for his height, physique, character, and skill. Hailed as the toughest man west of any place east, he has no patience for big cities and women who think they belong anywhere but home. Despite their differences of opinion, Hunter and Billie find a growing attraction until Hunter discovers an abandoned baby in the corner of a White City exhibit. He and Billy team up to make sure this foundling isn't left in the slums of

Free Copy PDF The Fair Play Deck A Couples Conversation Deck For Prioritizing Whats Important

Chicago. As they fight for the underprivileged children in the Nineteenth Ward, an entire playground movement is birthed. But when the fair comes to an end, one of them will have to give up their dream. Will Billy exchange her doctor's shingle for the domesticated role of a southern wife, or will Hunter abandon the wide open spaces of home for a life in the "gray city," a woman who insists on being the wage earner, and a group of ragamuffins who need more than one breathing space?

Death Out of Nowhere

* 'This refreshing, unusual book needs to exist. A culture shift which repositions a single person as someone who is relationship-free, complete, and not lacking is long overdue.' - The i * Having a secret single freak-out? Feeling the red, heart-shaped urgency intensify as the years roll on by? Oh hi! You're in the right place. Over half of Brits aged 25-44 are now single. It's become the norm to remain solo until much later in life, given the average marriage ages of 35 (women) and 38 (men). Many of us are choosing never to marry at all. But society, films, song lyrics and our parents are adamant that a happy ending has to be couple-shaped. That we're incomplete without an 'other half'*, like a bisected panto pony. Cue: single sorrow. Dating

Free Copy PDF The Fair Play Deck A Couples Conversation Deck For Prioritizing Whats Important

like it's a job. Spending half our lives waiting for somebody-we-fancy to text us back. Feeling haunted by the terms 'spinster' or 'confirmed bachelor.' Catherine Gray took a whole year off dating to find single satisfaction. She lifted the lid on the reasons behind the global single revolution, explored the bizarre ways cultures single-shame, detached from 'all the good ones are gone!' panic and debunked the myth that married people are much happier. Let's start the reverse brainwash, in order to locate - and luxuriate in - single happiness. Are you in? *Spoiler: you're already whole PRAISE FOR CATHERINE GRAY'S WRITING: "Fascinating." Bryony Gordon. "Not remotely preachy." The Times "Jaunty, shrewd and convincing." The Telegraph "Admirably honest, light, bubbly and remarkably rarely annoying." The Guardian "Truthful, modern and real." Stylist "Brave, witty and brilliantly written." Marie Claire "Haunting, admirable and enlightening." The Pool

Introduction to Probability

Learn to love yourself and your body with this interactive body positivity book from plus-sized style and beauty blogger and influencer Katie Sturino. Katie Sturino doesn't care what anyone thinks of her; she only cares that she's happy and comfortable with

Free Copy PDF The Fair Play Deck A Couples Conversation Deck For Prioritizing Whats Important

herself. Body positivity and size inclusivity is still a relatively new phenomenon, but Sturino has been at the front of the pack for many years, working to change the narrative around modern beauty standards with her blog, Instagram, podcast, and her own beauty brand. With *Megababe*, an illustrated guide-meets-workbook, Sturino not only personifies the empowered female role model she never had in her youth but also teaches you how to become that driving force for yourself. Her message focuses on body positivity, self-acceptance, and vanquishing bad body image BS so you can free up space in your brain for creative and productive energy. Complete with affirmations, introspective reflections, and actionable takeaways, as well as space to answer prompts and jot down feelings and inspirations, *Megababe* encourages you to spend less time thinking about how you look and what you ate and more time discovering your inner fierceness.

Beyond Beautiful

Anyone can master the fundamentals of game design - no technological expertise is necessary. The Art of Game Design: A Book of Lenses shows

Free Copy PDF The Fair Play Deck A Couples Conversation Deck For Prioritizing Whats Important

that the same basic principles of psychology that work for board games, card games and athletic games also are the keys to making top-quality videogames. Good game design happens when you view your game from many different perspectives, or lenses. While touring through the unusual territory that is game design, this book gives the reader one hundred of these lenses - one hundred sets of insightful questions to ask yourself that will help make your game better. These lenses are gathered from fields as diverse as psychology, architecture, music, visual design, film, software engineering, theme park design, mathematics, writing, puzzle design, and anthropology. Anyone who reads this book will be inspired to become a better game designer - and will understand how to do it.

An Unkindness of Ghosts

In July 1900, hapless insurance investigator Harry Reese travels to Buffalo to look into a suspicious fire. But when Harry uncovers a smuggling ring, the case morphs into something more sinister, and he's faced with a new set of questions. What's become of the notorious ringleader? And was the missing Charles Elwell killed for the insurance money? Or is he alive and sharing in the proceeds? To find the answers, Harry travels to Canada and back in the company of a

Body Talk

Ever gone on a diet but ended up heavier than when you started? It's not your fault. As Dr. Nick Fuller, one of Australia's leading obesity researchers, has discovered, we're all tuned to a set body weight--a weight range that the body feels most comfortable being. When you take your body out of that comfort zone, it will work back towards its starting point as a defense mechanism. In *The Interval Approach*, Dr Fuller explains how you can trick your body into believing it's at its

Free Copy PDF The Fair Play Deck A Couples Conversation Deck For Prioritizing Whats Important

new set point so that you not only become slimmer but stay that way. And the good news is that you don't need to starve yourself to do this or go on any fad diet. In fact, following the next fad diet will only make the problem worse and you will end up dieting yourself fat. Containing meal plans, mouth-watering recipes and tips on organization, The Interval Approach details how Dr. Fuller has helped hundreds of his patients lose weight and keep it off using this method--and how you can too. It's simple, based on the latest scientific findings and effective. So, if you've tried every diet under the sun and are still watching those scales go up, then you need to stop now and read this book. You have nothing to lose but the weight.

Getting to 50/50

This text is designed for an introductory probability course at the university level for sophomores, juniors, and seniors in mathematics, physical and social sciences, engineering, and computer science. It presents a thorough treatment of ideas and techniques necessary for a firm understanding of the subject. The text is also recommended for use in discrete probability courses. The material is organized so that the discrete and continuous probability discussions are presented in a

Free Copy PDF The Fair Play Deck A Couples Conversation Deck For Prioritizing Whats Important

separate, but parallel, manner. This organization does not emphasize an overly rigorous or formal view of probability and therefore offers some strong pedagogical value. Hence, the discrete discussions can sometimes serve to motivate the more abstract continuous probability discussions. Features: Key ideas are developed in a somewhat leisurely style, providing a variety of interesting applications to probability and showing some nonintuitive ideas. Over 600 exercises provide the opportunity for practicing skills and developing a sound understanding of ideas. Numerous historical comments deal with the development of discrete probability. The text includes many computer programs that illustrate the algorithms or the methods of computation for important problems. The book is a beautiful introduction to probability theory at the beginning level. The book contains a lot of examples and an easy development of theory without any sacrifice of rigor, keeping the abstraction to a minimal level. It is indeed a valuable addition to the study of probability theory. --Zentralblatt MATH

Fifty-Two Stories

Developed from celebrated Harvard statistics lectures, Introduction to Probability provides essential language and tools for understanding statistics, randomness, and uncertainty. The book explores a wide

Free Copy PDF The Fair Play Deck A Couples Conversation Deck For Prioritizing Whats Important

variety of applications and examples, ranging from coincidences and paradoxes to Google PageRank and Markov chain Monte Carlo (MCMC). Additional application areas explored include genetics, medicine, computer science, and information theory. The print book version includes a code that provides free access to an eBook version. The authors present the material in an accessible style and motivate concepts using real-world examples. Throughout, they use stories to uncover connections between the fundamental distributions in statistics and conditioning to reduce complicated problems to manageable pieces. The book includes many intuitive explanations, diagrams, and practice problems. Each chapter ends with a section showing how to perform relevant simulations and calculations in R, a free statistical software environment.

The Rime of the Ancient Mariner

In the past decade, few subjects at the intersection of medicine and sports have generated as much public interest as sports-related concussions - especially among youth. Despite growing awareness of sports-related concussions and campaigns to educate athletes, coaches, physicians, and parents of young athletes about concussion recognition and management, confusion and controversy persist in many areas.

Free Copy PDF The Fair Play Deck A Couples Conversation Deck For Prioritizing Whats Important

Currently, diagnosis is based primarily on the symptoms reported by the individual rather than on objective diagnostic markers, and there is little empirical evidence for the optimal degree and duration of physical rest needed to promote recovery or the best timing and approach for returning to full physical activity. Sports-Related Concussions in Youth: Improving the Science, Changing the Culture reviews the science of sports-related concussions in youth from elementary school through young adulthood, as well as in military personnel and their dependents. This report recommends actions that can be taken by a range of audiences - including research funding agencies, legislatures, state and school superintendents and athletic directors, military organizations, and equipment manufacturers, as well as youth who participate in sports and their parents - to improve what is known about concussions and to reduce their occurrence. Sports-Related Concussions in Youth finds that while some studies provide useful information, much remains unknown about the extent of concussions in youth; how to diagnose, manage, and prevent concussions; and the short- and long-term consequences of concussions as well as repetitive head impacts that do not result in concussion symptoms. The culture of sports negatively influences athletes' self-reporting of concussion symptoms and their adherence to return-to-play guidance. Athletes, their teammates, and, in some cases, coaches and

Free Copy PDF The Fair Play Deck A Couples Conversation Deck For Prioritizing Whats Important

parents may not fully appreciate the health threats posed by concussions. Similarly, military recruits are immersed in a culture that includes devotion to duty and service before self, and the critical nature of concussions may often go unheeded. According to Sports-Related Concussions in Youth, if the youth sports community can adopt the belief that concussions are serious injuries and emphasize care for players with concussions until they are fully recovered, then the culture in which these athletes perform and compete will become much safer. Improving understanding of the extent, causes, effects, and prevention of sports-related concussions is vitally important for the health and well-being of youth athletes. The findings and recommendations in this report set a direction for research to reach this goal.

Happy (and other ridiculous aspirations)

When your boyfriend bets YOU in a poker game, you better know when to run. Bad enough Jade Frost's boyfriend drags her to a boring poker game. Even worse that he actually threw her into the betting pot during an intense round and lost. Talk about the perfect excuse for Jade to make him her ex-boyfriend. Now she supposedly belongs to the ultra rich, extremely gorgeous Shep Prescott. He could have anything

he wants yet he seems to be in hot pursuit of her. No matter how rude, how snarky, how impossible she acts, it doesn't stop him. More like her horrible behavior seems to make him want her more. When she finds herself starting to fall for him, Jade's confused. There's more to Shep than the carefree rich charmer he portrays. No way could he want a serious relationship with her or could he?

Always a Cold Deck

Each of the 50 cards in this conversation deck is printed with two reading-themed questions (100 questions total). Some invoke books that are tied to memories (name your favorite childhood picture book); others prompt you to choose ideal reading material for a hypothetical situation (if you were stranded on a desert island, what book would you want with you?). Some of them aim to get people comparing their favorite (and not-so-favorite) characters or authors, and others engage in popular debates amongst readers (name a movie adaptation you liked and defend your choice). Created to give readers of all persuasions an excuse to talk about books, ideas, and life itself, this deck is a great addition to any booklover's shelf.

Modern Manners for Moms & Dads

Keith Richards' once-in-a-generation memoir recounts one of the most eventful, influential and closely watched lives of modern times. No other major rock band has been creating music and magic together so continuously. They recorded some of the most enduring songs of our times including 'Satisfaction', 'Jumping Jack Flash', 'Honky Tonk Woman' and 'Start Me Up', written by Keith and his writing partner and Stones vocalist Mick Jagger. Born in Dartford in Kent in December 1943 in the same cottage hospital as Jagger had been delivered five months earlier, Keith's personal roots were in the south of England. But his musical roots were in R&B and it was this that brought him together with Mick, Charlie Watts, Bill Wyman and Brian Jones. From the first tiny club gigs where there was barely room to shake and rattle, never mind roll, the band soon gravitated to huge international stadiums with its groundbreakingly dramatic act. This is the story of The Greatest Rock n' Roll Band in the world as only Keith can tell it. He describes not only how the music evolved but supplies the truth and

context to the tales of sex, drugs, guns, more drugs and of course rock n'roll and the timeless music that have helped define the band's international reputation.

Introduction to Probability

'I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better' Robert Sutton, author of The No Asshole Rule and The Asshole Survival Guide 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah Knight, New York Times bestselling author of The Life-Changing Magic of Not Giving a F*ck A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you - then take credit for it · you accidentally trash-talk someone in an email and hit 'reply all' · you're being micromanaged - or not being managed at all · your boss seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and

‘Thank god for Turia! She is an absolute rock star. I’m stoked to be in the world at the same time as her’. Celeste Barber Thousands of people have told me the one thing they’re searching for in life is happiness. So, I set out on a dragon-free quest to prove if ‘happy’ is, actually, an attainable goal, and not just a ridiculous aspiration. In this book, with her characteristic humour and gutsy intelligence,* Turia Pitt goes on a quest to answer the question, Is it possible to be happier? What does she discover on her journey? Well, look, that’s why we want you to buy the bloody book, but we can tell you that it entails, among other things, practising gratitude, working on kindness, self-love, strengthening your relationships and accepting the hard times and bad days. Turia unpacks all of the above with easy-to-implement tips and strategies, hilarious insights into her own life and relationships, and introduces us to some of the world’s most fabulous people along the way, including Leigh Sales, Scott Pape, Zoë Foster Blake, Maria Forleo and Mick Fanning. *She made us say that.
