The most important thing is that it teaches responsibility. People have to accept responsibility for their actions because whatever happens is a result of them. People cannot blame some exterior force or being for their mistakes, weaknesses, or shortcomings. Practicing witchcraft begins with a lot of steps, from invoking, to initiation and then meditation, to changing nature energy and doing magic. They don't let you go around again until you get it right' According to The Nice and Accurate Prophecies of Agnes Nutter, Witch, Judgement Day is almost upon us and the world's going to end in a week . . . Now people have been predicting the end of the world almost from its very beginning, so it's only natural to be sceptical when a new date is set for Judgement Day. But what if, for once, the predictions are right, and the apocalypse really is due to arrive next Saturday, just after tea? You could spend the time left drowning your sorrows, giving away all your possessions in preparation for the rapture, or laughing it off as (hopefully) just another hoax. Or you could just try to do something about it. It's a predicament that Aziraphale, a somewhat fussy angel, and Crowley, a fast-living demon now finds themselves in. They've been living amongst Earth's mortals since The Beginning and, truth be told, have grown rather fond of the lifestyle and, in all honesty, are not actually looking forward to the coming Apocalypse. And then there's the small matter that someone appears to have misplaced the Antichrist . . .

Everything You Need to Know to Start Practicing Magic and Witchcraft "Witchcraft" is a word that, for some, may inspire fantastical images of women flying through the night sky on broomsticks and shooting sparks out of a glimmering wand. Others mistakenly associate people who practice Witchcraft with the dark arts-believing that Witches go around hexing people, or use other "black magic" to cause trouble for people they dislike. The truth is, Witchcraft is not fantasy, and is not inherently malicious. It's a vibrant, nature-based spiritual practice that is alive and well in our modern times, just as it has been for longer than we've been recording history. Nonetheless, due to the persistence of these misconceptions in mainstream society, some Wiccans do not consider themselves to be practitioners of Witchcraft, and don't identify as Witches. This is despite the fact that Gerald Gardner, the founder of what became known as Wicca, described the religious activities of his coven in exactly these terms-they were Witches practicing Witchcraft! Whether you choose to call yourself a Witch, a Wiccan, both, or neither, Witchcraft is an enormous topic that can be overwhelming for those who are just starting to explore it. There's so much to learn, and there are many differing perspectives on what is "correct" or "incorrect" in terms of knowledge and practice. Truly, it may be the one of the most confounding of all possible areas of spirituality! *Modern Witchcraft and Magic for Beginners* was created to provide a fact-based, neutrally-oriented context for launching you on your exploration. Whether you feel called to study Wicca with a practicing coven, learn as much as you can on your own about a branch of Traditional Witchcraft, or forge an eclectic practice that combines several approaches, this

A basic understanding of the wider realm of Witchcraft allows you to broaden your knowledge and enhance your practice. In these pages, you'll find: An overview of the historical and cultural contexts in which contemporary Witchcraft has evolved A debunking of common misconceptions about Witchcraft as it is practiced today Core beliefs and practices found among a variety of forms of the Craft Clear distinctions between Wiccan, Traditional, and Eclectic paths Core concepts underlying the "why" and "how" of magic A brief look at a few common magical techniques-visualization, invocation, and candle magic Some example workings for you to try, if you feel so inclined Suggested references for further reading for those who want to explore these topics further Whether your curiosity about the Craft is intellectual, spiritual, or both, you'll find plenty of useful information in Modern Witchcraft and Magic for Beginners. Interact with magical fairy folk and incorporate them into your own witchcraft practice with this detailed account of the ancient wisdom and traditions of fairies and witchcraft. Fairies have long been a part of witchcraft traditions, especially Celtic and Norse witchcraft, paganism, and other traditions deeply tied to the earth. But these fairies aren't the harmless creatures you've read about in children's tales: they are magical creatures with their own culture and rules that you need to know before venturing into their territory. Now you can explore the world of the fairies and how their magic relates to your own witchcraft practice with The Modern Witchcraft Book of Fairies. This book provides you with all the information you need to know about the different types of fae folk and how you can safely interact with them to make the most of your witchcraft practice.
