### The Chosen Peoples

The Jewish Book of Why has sold more than three million copies to date and has been translated into several languages. In this bestseller turned Miniature Edition™, scholar Rabbi Alfred J. Kolatch explains the significance and origin of nearly every symbol and practice known to Jewish culture. It's an essential guide for both Jews and non-Jews alike, and will answer a wide spectrum of questions on every aspect of Jewish custom, tradition, and life.

### Have I Got a Cartoon for You!

In "This Jewish Life: Stories of Discover, Connection, and Joy," fifty-five voices enable readers to experience a calendar's worth of Judaism's strengths—community, healing, transformation of the human spirit and the influence of the Divine. Within these pages are stories of joyous engagement and poignant loss. Readers will meet a teen who followed the path of Judaism after a chance encounter and men and women who turned to Judaism in their struggles with drug addiction and spousal abuse. Structured to mirror a complete year of Jewish life cycle events and holidays, this unique book showcases a bar mitzvah service in rural Illinois, a commitment ceremony in a California metropolis, a Soviet family's first Passover Seder, and much more. These stories will carry readers, Jew and non-Jew alike, through twelve months of Jewish Living

### The Great Kosher Meat War of 1902

Since her creation in 1959, Barbie has broken cultural, social, and linguistic barriers, all while showcasing a fabulous fashion sense. Organized into five sections: Barbie Is Fashion; Barbie's Family; Dolls of the World; Barbie's Careers; and Queen, Diva and Celebrity, Barbie as Global Icon, Barbie: The Icon celebrates

the impact Barbie has had in culture for three generations in everything from style, to fashion, to careers, that makes her the voice of the contemporary woman, the voice of pop culture, and the image of a genuine living legend.

## **Natalie Portman's Fables**

"This book shows the roots of more than 1,200 Jewish personal names. It shows all Yiddish/Hebrew variants of a root name with English transliteration. Hebrew variants show the exact spelling including vowels. Footnotes explain how these variants were derived. An index of all variants allows you to easily locate the name in the body of book. Also presented are family names originating from personal names."--Publisher description.

## **Wiseneheimer**

This meditation on the life of the Canadian singer-songwriter, musician, poet and novelist discusses his performing career, which began despite his crippling stage fright, to his induction into the Rock and Roll Hall of Fame. 13,000 first printing.

## **Jewish Personal Names**

You'll find everything you need to know about being Jewish in this indispensable, revised and updated guide to the religious traditions, everyday practices, philosophical beliefs, and historical foundations of Judaism. What happens at a synagogue service? What are the rules for keeping kosher? How do I light the Hanukah candles? What is in the Hebrew Bible? What do the Jewish holidays signify? What should I be teaching my children about being Jewish? With the first edition of *Essential Judaism*, George Robinson offered the world the accessible compendium that he sought when he rediscovered his Jewish identity as an adult. In his "ambitious and all-inclusive" (*New York Times Book Review*) guide, Robinson illuminates the Jewish life cycle at every stage and lays out many fascinating aspects of the religion—the Kabbalah and Jewish mysticism, the evolution of Hasidism, and much more—while keeping a firm focus on the different paths to living a good Jewish life in today's world. Now, a decade and a half later, Robinson has updated this valuable introductory text with information on topics including denominational shifts, same-sex marriage, the intermarriage debate, transgender Jews, the growth of anti-Semitism, and the changing role of women in worship, along with many other hotly debated topics in the contemporary Jewish world and beyond. The perfect gift for a Bar/Bat Mitzvah or anyone thinking about conversion—this is the ultimate companion for anyone interested in learning more about Judaism, the kind of book its readers will revisit over and over for years to come.

## **Stan Lee**

Why is this haiku book different from all other haiku books? For centuries, the Japanese haiku has been one of the world's most dazzling poetic forms. In just three short lines, it captures the sublime beauty of nature--the croak of the bullfrog, the buzzing of the dragonfly, the shriek of the cicada, the scream of the

cormorant. Now, with *Haikus for Jews*, there is finally a collection that celebrates the many advantages of staying indoors. Inspired by ancient Zen teachings and timeless Jewish noodging, this masterful work is filled with insights that will make you exclaim, "Ah!" or at least "Oy!" Whether you are Jewish or you simply enjoy a good kosher haiku, these chai-kus (so called because of their high chutzpah content) are certain to amuse. What's more, with each poem limited to seventeen syllables, *Haikus for Jews* is perfect for people in a hurry. Find out why God has made these *The Chosen Haikus*. From the Hardcover edition.

## **Essential Judaism: Updated Edition**

*Publishing Addiction Science* is a comprehensive guide for addiction scientists facing the complex process of contributing to scholarly journals. Written by an international group of addiction journal editors and their colleagues, it discusses how to write research articles and systematic reviews, choose a journal, respond to reviewers' reports, become a reviewer, and resolve the often difficult authorship, ethical and citation issues that arise in addiction science publishing. As a "Guide for the Perplexed," *Publishing Addiction Science* helps novice as well as experienced researchers to deal with these challenges. It is suitable for university courses and forms the basis of the training workshops offered by the International Society of Addiction Journal Editors (ISAJE). Co-sponsored by ISAJE and the scientific journal *Addiction*, the third edition of *Publishing Addiction Science* gives special attention to the challenges faced by researchers from developing and non-English-speaking countries and features new chapters on guidance for clinician-scientists and the growth of infrastructure and career opportunities in addiction science.

## **This Jewish Life**

Academy Award-winning actress, director, producer, and activist Natalie Portman retells three classic fables and imbues them with wit and wisdom. From realizing that there is no "right" way to live to respecting our planet and learning what really makes someone a winner, the messages at the heart of Natalie Portman's *Fables* are modern takes on timeless life lessons. Told with a playful, kid-friendly voice and perfectly paired with Janna Mattia's charming artwork, Portman's insightful retellings of *The Tortoise and the Hare*, *The Three Little Pigs*, and *Country Mouse and City Mouse* are ideal for reading aloud and are sure to become beloved additions to family libraries.

## **Why Jews Do That**

"The Book; yes, their Book. They had no state, holding them together, no country, no soil, no king, no form of life in common. If, in spite of this, they were one, more one than all the other peoples of the world, it was the Book that sweated them into unity. Brown, white, black, yellow Jews, large and small, splendid and in rags, godless and pious, they might crouch and dream all their lives in a quiet room, or fare splendidly in a radiant, golden whirlwind over the earth, but sunk deep in all of them was the lesson of the Book. Manifold is the world, but it is vain and fleeting as wind; but one and only is the God of Israel, the everlasting, the infinite, the Jehovah."-Jud Süß, 1925. When Feuchtwanger's two best known novels "*Jew Süß*"

("Power") and "Ugly Duchess" were first translated into English in the 1920s, they caused a tremendous sensation in England and then in America. The critics all hailed Feuchtwanger as the master of the historical novel—the peer of Dumas and Scott but written with the psychology of our own day. "Jew Süß," set in the 18th century Germany (at the time consisting of numerous fragmented independent states), deals with an identity crisis: in order to gain social power, the novel's protagonist attempts to forsake his Jewish heritage and becomes assimilated into the mainstream of German culture. More than that, Süß finds himself being in the position of potential kingmaker. Brilliant, attractive and with an insatiable lust for power, he practically ruled the Duke and his court, pandering to the vices of dissolute nobility, mounting through his intrigues to dizzying heights of power. Süß's only vulnerable spot, however, is his precious, exquisite, gentle daughter, Naomi. When her beauty became exposed to the beastliness of the Duke, tragedy came swiftly after.

## **Jewboy of the South**

A renowned political speechwriter rediscovers Judaism, finding timeless wisdom and spiritual connection in its age-old practices and traditions. "Sarah Hurwitz was Michelle Obama's head speechwriter, and with this book she becomes Judaism's speechwriter."—Adam Grant, New York Times bestselling author of Give and Take, Originals, and co-author of Option B After a decade as a political speechwriter—serving as head speechwriter for First Lady Michelle Obama, a senior speechwriter for President Barack Obama, and chief speechwriter for Hillary Clinton on her 2008 presidential campaign—Sarah Hurwitz decided to apply her skills as a communicator to writing a book . . . about Judaism. And no one is more surprised than she is. Hurwitz was the quintessential lapsed Jew—until, at age thirty-six, after a tough breakup, she happened upon an advertisement for an introductory class on Judaism. She attended on a whim, but was blown away by what she found: beautiful rituals, helpful guidance on living an ethical life, conceptions of God beyond the judgy bearded man in the sky—none of which she had learned in Hebrew school or during the two synagogue services she grudgingly attended each year. That class led to a years-long journey during which Hurwitz visited the offices of rabbis, attended Jewish meditation retreats, sat at the Shabbat tables of Orthodox families, and read hundreds of books about Judaism—all in dogged pursuit of answers to her biggest questions. What she found transformed her life, and she wondered: How could there be such a gap between the richness of what Judaism offers and the way so many Jews like her understand and experience it? Sarah Hurwitz is on a mission to close this gap by sharing the profound insights she discovered on everything from Jewish holidays, ethics, and prayer to Jewish conceptions of God, death, and social justice. In this entertaining and accessible book, she shows us why Judaism matters and how its message is more relevant than ever, and she inspires Jews to do the learning, questioning, and debating required to make this religion their own. "Searching for meaning in the ancient scripture and traditions of Judaism, Sarah Hurwitz takes us along on an enriching journey of discovery. In Here All Along, she explores her birthright as a Jew and finds timeless and valuable life lessons."—David Axelrod, director of the University of Chicago Institute of Politics and former senior advisor to President Barack Obama

## **The Newish Jewish Encyclopedia**

The powerful coming-out story of an ultra-Orthodox child who was born to become a rabbinic leader and instead became a woman and an outspoken voice for gender freedom Abby Chava Stein was raised in a Hasidic Jewish community in Brooklyn, profoundly isolated in a culture that lives according to the laws and practices of an eighteenth-century Eastern European enclave, speaking only Yiddish and Hebrew and shunning modern life. Deeply immersed within one of the world's most gender-segregated societies, Stein was born as the first son in a rabbinical dynastic family, poised to become a leader of the next generation of Hasidic Jews. But Stein felt certain at a young age that she was a girl, even though there was no context for understanding this disconnect. Without access to TV or the internet, and never taught English, she suppressed her desire for a new body while looking for answers wherever she could find them, from forbidden religious texts to smuggled secular examinations of faith. Finally, she orchestrated a personal exodus from ultra-Orthodox manhood into mainstream femininity—a radical choice that forced her to leave her home, her family, and her way of life. Powerful in the truths it reveals about biology, culture, faith, and identity, *Becoming Eve* poses the ultimate question for a new generation: How far are you willing to go to become the person you are meant to be?

## **Batman Character Encyclopedia**

From Robin to the Joker, *Batman Character Encyclopedia* is your guide into over 75 years of the Dark Knight's friends and foes. This compact, informative guide takes you through over 200 heroes and villains of Gotham City as well as tons of facts and information on the Caped Crusader himself. Jewish food is food that warms the heart and delights the soul and The Newish Jewish Cookbook has you covered!

## **The Newish Jewish Cookbook**

Why does Hebrew matter? In answering this question, Hebrew Roots, Jewish Routes addresses the many ways engagement with Hebrew enriches Jewishness"€"culturally, religiously, ethnically. Whether you know Hebrew or not, linguist and cultural anthropologist Jeremy Benstein takes us on a journey into the deeper significance of Hebrew in the life of Jews and Judaism. Since fluency is a distant goal for so many, Benstein shows us another approach: engaging with Hebrew by focusing on the three-letter Hebrew roots that are the building blocks of the language, seeing these "nuggets of knowledge" as a vehicle to enriching our connection to Judaism and its values. For instance, tzedakah, usually translated as "charity," actually relates to notions of justice (tzedek) and responsibility, not acts of generosity, thus encapsulating an entire economic world view. With many examples throughout the book, and in nineteen innovative "Wordshops," Benstein shows us both why and how to connect to Hebrew, this underappreciated treasure of ours. Hebrew is both ancient and renewing, holy and daily, tribal and global. So

more than just a book about a language, this is a book about the Jewish people and the challenges we face as seen through our shared language, Hebrew. As Professor Gil Troy said, "Highly recommended for all, but especially for teachers ready to launch a grassroots revolution bringing Jews back to their language and culture."

## **Choosing a Jewish Life, Revised and Updated**

"As a rabbi and a convert, I appreciate this book deeply for its sensitivity to the complex feelings of those who are exploring paths to becoming Jewish, and for the deep love of Judaism it conveys. I will give it to every interfaith couple, and recommend that they give it to their parents. It is wonderful! " --Rachel Cowan, co-author of *Mixed Blessings* In the same knowledgeable, reassuring, and respectful style that has made her one of the most admired writers of guides to Jewish practices and rituals, Anita Diamant provides advice and information that can transform the act of conversion into an extraordinary journey of self-discovery and spiritual growth. Married to a convert herself, Diamant anticipates all the questions, doubts, and concerns, provides a comprehensive explanation of the rules and rituals of conversion, and offers practical guidance toward creating a Jewish identity. Here you will learn how to choose a rabbi, a synagogue, a denomination, a Hebrew name; how to handle the difficulty of putting aside Christmas; what happens at the mikvah (the ritual bath) or at a hatafat dam brit (circumcision ritual for those already circumcised); how to find your footing in a new spiritual family that is not always well prepared to receive you; and how not to lose your bonds to your family of origin. Sensitive, sympathetic, and insightful, *Choosing a Jewish Life* provides everything necessary to make conversion a joyful and spiritually meaningful experience.

## **Hebrew Roots, Jewish Routes**

A meditation on the deeply Jewish and surprisingly spiritual roots of Stan Lee and Marvel Comics

## **Bucharest Diary**

In *Jewish Holiday Baking*, adapted from his *Breaking Breads*, Uri Scheft shares key classic holiday baking recipes like challah and babka—and provides his creative twists on them as well, showing how bakers can do the same easily at home. But the book is not limited to breads alone. Holiday sweets, whether chocolate-filled babka, poppyseed hamantaschen, or fruit-filled sufganiyot, are recipes of dessert-lovers' dreams. And with the addition of traditional Middle Eastern breads like kubaneh and jachnun, this collection of holiday recipes from master baker Scheft becomes an indispensable resource. The instructions are detailed and the photos explanatory so that anyone can make Scheft's Chocolate and Orange Confit Challah, Za'atar Twists, and Jerusalem Bagels for their next Seder or Apple Hamantaschen for Purim.

## **The Jewish Background of Christianity in God's Plan of Salvation**

A Southern story is never a straight line to the end point. Ask a southerner about an event or how to get to a place and you'll hear about everyone and everything and everywhere along the way. It lurches forward, then backtracks, goes off center, infuriates and, eventually, rediscovers its luscious, rich, often humorous and just as often, perverse, path. It's made of, like the South itself, a soup pot of characters-redneck, slave roots, sex, blood, love, hate, war, religion, intrigue and wink of the eye-all chopped, diced and thrown into its cauldron. Often as not, it boils into a mess. But somehow, sometimes, if you enjoy a mélange of tastes, it blends into a delicious, or at least colorful, potage. So settle in, relax and enjoy this saga about a small-town southern Jewish boy and the characters who helped him grow up, learn about sex versus love, black and white, true religion, soul music and jazz, all while attempting to keep the love of his life, the Klan minister's daughter, and to free an innocent black man, his carpenter hero.

## **Becoming Eve**

Holocaust history written and researched by the Yiddish scholars who lived it.

## **The New Jewish Encyclopedia**

An insider's account of Romania's emergence from communism control In the 1970s American attorney Alfred H. Moses was approached on the streets of Bucharest by young Jews seeking help to emigrate to Israel. This became the author's mission until the communist regime fell in 1989. Before that Moses had met periodically with Romania's communist dictator, Nicolae Ceausescu, to persuade him to allow increased Jewish emigration. This experience deepened Moses's interest in Romania--an interest that culminated in his serving as U.S. ambassador to the country from 1994 to 1997 during the Clinton administration. The ambassador's time of service in Romania came just a few years after the fall of the Berlin Wall and the subsequent collapse of communism in Eastern Europe. During this period Romania faced economic paralysis and was still buried in the rubble of communism. Over the next three years Moses helped nurture Romania's nascent democratic institutions, promoted privatization of Romania's economy, and shepherded Romania on the path toward full integration with Western institutions. Through frequent press conferences, speeches, and writings in the Romanian and Western press and in his meetings with Romanian officials at the highest level, he stated in plain language the steps Romania needed to take before it could be accepted in the West as a free and democratic country. Bucharest Diary: An American Ambassador's Journey is filled with firsthand stories, including colorful anecdotes, of the diplomacy, both public and private, that helped Romania recover from four decades of communist rule and, eventually, become a member of both NATO and the European Union. Romania still struggles today with the consequences of its history, but it has reached many of its post-communist goals, which Ambassador Moses championed at a crucial time. This book will be of special interest to readers of history and public affairs--in particular those interested in Jewish life under communist rule in Eastern Europe and how the United States and its Western partners helped rebuild an important country devastated by communism.

## **Barbie**

Your plain-English guide to Judaism Whether you're interested in the religion or the spirituality, the culture or the ethnic traditions, *Judaism For Dummies* explores the full spectrum of Judaism, dipping into the mystical, meditative, and spiritual depth of the faith and the practice. In this warm and welcoming book, you'll find coverage of: Orthodox Jews and breakaway denominations; Judaism as a daily practice; the food and fabric of Judaism; Jewish wedding ceremonies; celebrations and holy days; 4,000 years of pain, sadness, triumph, and joy; great Jewish thinkers and historical celebrities; and much more. Updates to the "recent history" section with discussions of what has happened in the first decade of the twenty-first century including: the expansion of orthodox political power in Israel; expansion of interfaith work; unfortunate recent anti-Semitic events; and other news Expanded coverage of Jewish mysticism and meditation, which has become increasingly popular in recent years New coverage on Jewish views of morality, including birth control, homosexuality, and environmental concerns Revised recipes for traditional Jewish cooking, updated key vocabulary, and Yiddish phrases everyone should know Jews have long spread out to the corners of the world, so there are significant Jewish communities on many continents. *Judaism For Dummies* offers a glimpse into the rituals, ideas, and terms that are woven into the history and everyday lives of Jewish people as near as our own neighborhoods and as far-reaching as across the world.

## **A Broken Hallelujah: Rock and Roll, Redemption, and the Life of Leonard Cohen**

A groundbreaking history of how Jewish women maintained their identity and influenced social activism as they wrote themselves into American history. What does it mean to be a Jewish woman in America? In a gripping historical narrative, Pamela S. Nadell weaves together the stories of a diverse group of extraordinary people--from the colonial-era matriarch Grace Nathan and her great-granddaughter, poet Emma Lazarus, to labor organizer Bessie Hillman and the great justice Ruth Bader Ginsburg, to scores of other activists, workers, wives, and mothers who helped carve out a Jewish American identity. The twin threads binding these women together, she argues, are a strong sense of self and a resolute commitment to making the world a better place. Nadell recounts how Jewish women have been at the forefront of causes for centuries, fighting for suffrage, trade unions, civil rights, and feminism, and hoisting banners for Jewish rights around the world. Informed by shared values of America's founding and Jewish identity, these women's lives have left deep footprints in the history of the nation they call home.

## **The Jewish Time Line Encyclopedia**

HAVE YOU EVER MET A CHILD WHO TALKED LIKE AN ADULT? Who knew big words and knew how to use them? Was he a charmer or an insufferable smart aleck—or maybe both? Mark Oppenheimer was just such a boy, his talent for language a curse as much as a blessing. Unlike math or music prodigies, he had no way to showcase his unique skill, except to speak like a miniature adult—a trick some

found impressive but others found irritating. Frustrated and isolated, Oppenheimer used his powers for ill—he became a wisenheimer—pushing his peers and teachers away, acting out with prank phone calls, and worse. But when he got to high school, Oppenheimer discovered an outlet for his loquaciousness: the debate team. This smart, funny memoir not only reveals a strange, compelling subculture, it offers a broader discussion of the splendor and power (including the healing power) of language and of the social and developmental hazards of being a gifted child. Oppenheimer's journey from loneliness to fulfillment affords a fascinating inside look at the extraordinary subculture of world-class high-school debate and at the power of language to change one's life.

## **The Bar Mitzvah Crasher: Road-Tripping Through Jewish America**

What does it mean to be a Jew? How does one begin to answer so extensive a question? In this insightful and completely updated tome, esteemed rabbi and bestselling author Joseph Telushkin helps answer the question of what it means to be a Jew, in the largest sense. Widely recognized as one of the most respected and indispensable reference books on Jewish life, culture, tradition, and religion, *Jewish Literacy* covers every essential aspect of the Jewish people and Judaism. In 352 short and engaging chapters, Rabbi Telushkin discusses everything from the Jewish Bible and Talmud to Jewish notions of ethics to antisemitism and the Holocaust; from the history of Jews around the world to Zionism and the politics of a Jewish state; from the significance of religious traditions and holidays to how they are practiced in daily life. Whether you want to know more about Judaism in general or have specific questions you'd like answered, *Jewish Literacy* is sure to contain the information you need. Rabbi Telushkin's expert knowledge of Judaism makes the updated and revised edition of *Jewish Literacy* an invaluable reference. A comprehensive yet thoroughly accessible resource for anyone interested in learning the fundamentals of Judaism, *Jewish Literacy* is a must for every Jewish home.

## **Jew Suss**

“Your gift giving problems are now over—just stock up on *The 100 Most Jewish Foods*. . . . The appropriate gift for any occasion.” —Jewish Book Council “[A] love letter—to food, family, faith and identity, and the deliciously tangled way they come together.” —NPR’s *The Salt* With contributions from Ruth Reichl, Éric Ripert, Joan Nathan, Michael Solomonov, Dan Barber, Yotam Ottolenghi, Tom Colicchio, Maira Kalman, Melissa Clark, and many more! Tablet’s list of the 100 most Jewish foods is not about the most popular Jewish foods, or the tastiest, or even the most enduring. It’s a list of the most significant foods culturally and historically to the Jewish people, explored deeply with essays, recipes, stories, and context. Some of the dishes are no longer cooked at home, and some are not even dishes in the traditional sense (store-bought cereal and Stella D’oro cookies, for example). The entire list is up for debate, which is what makes this book so much fun. Many of the foods are delicious (such as babka and shakshuka). Others make us wonder how they’ve survived as long as they have (such as unhatched chicken eggs and jellied calves’ feet). As expected, many Jewish (and now universal) favorites like matzo

balls, pickles, cheesecake, blintzes, and chopped liver make the list. The recipes are global and represent all contingencies of the Jewish experience. Contributors include Ruth Reichl, Éric Ripert, Joan Nathan, Michael Solomonov, Dan Barber, Gail Simmons, Yotam Ottolenghi, Tom Colicchio, Amanda Hesser and Merrill Stubbs, Maira Kalman, Action Bronson, Daphne Merkin, Shalom Auslander, Dr. Ruth Westheimer, and Phil Rosenthal, among many others. Presented in a gifty package, *The 100 Most Jewish Foods* is the perfect book to dip into, quote from, cook from, and launch a spirited debate.

## **The Yiddish Historians and the Struggle for a Jewish History of the Holocaust**

Bob Mankoff grew up Jewish in Queens, NY in the 1950s and 1960s. As a kid, he visited the Borscht Belt and reveled in the hilarious performances of some of the best Jewish comedians such as Jerry Lewis, Buddy Hackett, and Rodney Dangerfield, among others. These early experiences helped shape Mankoff's view of life and led him to become a creative master practitioner of humor and cartoons. He started his career unexpectedly by quitting a Ph.D. program in experimental psychology at The City University of New York in 1974 and submitting his cartoons to the *New Yorker*. Three years and over 2,000 cartoons later, he finally made the magazine and has since published over 950 cartoons. He has devoted his life to discovering just what makes us laugh and seeks every outlet to do so, from developing *The New Yorker's* web presence to founding The Cartoon Bank, a business devoted to licensing cartoons for use in newsletters, textbooks, magazines and other media. In this new book, *Have I Got a Cartoon for You!* this successful cartoonist, speaker and author, presents his favorite Jewish cartoons. In his foreword to this entertaining collection, Mankoff shows how his Jewish heritage helped him to become a successful cartoonist, examines the place of cartoons in the vibrant history of Jewish humor, and plumbs Jewish thought, wisdom and shtik for humorous insights. Mankoff has written: "I always think that it's strange that the Jews, The People of the Book, eventually became much better known as The People of the Joke. Strange because laughter in the Old Testament is not a good thing: When God laughs, you're toast. If you say, 'Stop me if you've heard this one, ' he does for good." A major influence on his cartoons about religion derives from Jewish culture's disputatiousness, the questioning everything just for the hell of it and then the questioning of the questioning to be even more annoying. He recalls: "When, I was first dating my wife, who is not Jewish, we once were having what I thought was an ordinary conversation and she said, 'Why are you arguing with me?' I replied, 'I'm not arguing, I'm Jewish.' I thought that was clever. She didn't. Some humor scholars claim this stems from the practice in the Talmud of pilpul, which Leo Rosten has described as 'unproductive hair-splitting that is employed not so much to radiate clarity as to display one's own cleverness.' I go along with that except I like to think that some clarity and cleverness are not mutually exclusive. Anyway, that's my aim in cartoons like these. Now, am I worried that these jokes will bring His wrath down upon me down with a bolt from the blue. Not really, but every time there's a thunderstorm, I hide in the cellar."

## **13 and a Day**

## Read PDF The Newish Jewish Encyclopedia From Abraham To Zabar S And Everything In Between

As a youth, the author, who had two Jewish grandparents, was defined as a Jew by Vichy France; his parents, however, refused to register the family as Jews. (In March 1944 Corcos and his brother fled to Spain and joined the Allied Forces in North Africa.) States that antisemites consider Jewishness to be inherited and to embody inferior, evil traits. This view is based on two false biological premises: that there are pure races of humans, and that some races are superior to others. Rejects these premises by considering modern biology and Jewish history. The latter indicates that the Jews cannot be a race, due to their lack of sexual isolation; diversity among Jews is a result of both intermarriage and proselytism. Sees the Spanish "limpieza de sangre" statutes and the Inquisition as precursors of Nazi racism. Observes that sometimes Jews have joined antisemites in accepting biological determinism. Intermarriage in countries such as China, India, and the USA has led to considerable biological diversity among Jews and to the reduction of diversity between Jews and non-Jews, if such diversity existed at all. Stresses that if antisemites have worried about "contamination" of their "race" by the Jews they have already missed the boat since Jews have mixed with non-Jews for many centuries.

### **Here All Along**

A wise, sensitive novel about Russia, exile, family, love, history and fate, this work asks what people owe the place they were born, and in return, what it owes them. A New York Times Editors' Choice, named a Best Book of 2018 by Bookforum, Nylon, Esquire, and Vulture.

### **The Artisanal Kitchen: Jewish Holiday Baking**

An Unorthodox Guide to Everything Jewish Deeply knowing, highly entertaining, and just a little bit irreverent, this unputdownable encyclopedia of all things Jewish and Jew-ish covers culture, religion, history, habits, language, and more. Readers will refresh their knowledge of the Patriarchs and Matriarchs, the artistry of Barbra Streisand, the significance of the Oslo Accords, the meaning of words like balaboosta, balagan, bashert, and bageling. Understand all the major and minor holidays. Learn how the Jews invented Hollywood. Remind themselves why they need to read Hannah Arendt, watch Seinfeld, listen to Leonard Cohen. Even discover the secret of happiness (see "Latkes"). Includes hundreds of photos, charts, infographics, and illustrations. It's a lot.

### **Judaism For Dummies**

Kantor writes from the perspective of a traditional Jew, covering events such as the Flood, giving of the Torah, and the fall of the Tower of Babel, placing these within the chronology of history along with the Spanish Inquisition, the Holocaust, and the founding of the State of Israel.

### **The Stone Edition of the Chumash**

Americans and Israelis have often thought that their nations were chosen, in perpetuity, to do God's work. This belief in divine election is a potent, living force,

one that has guided and shaped both peoples and nations throughout their history and continues to do so to this day. Through great adversity and despite serious challenges, Americans and Jews, leaders and followers, have repeatedly faced the world fortified by a sense that their nation has a providential destiny. As Todd Gitlin and Liel Leibovitz argue in this original and provocative book, what unites the two allies in a “special friendship” is less common strategic interests than this deep-seated and lasting theological belief that they were chosen by God. The United States and Israel each has understood itself as a nation placed on earth to deliver a singular message of enlightenment to a benighted world. Each has stumbled through history wrestling with this strange concept of chosenness, trying both to grasp the meaning of divine election and to bear the burden it placed them under. It was this idea that provided an indispensable justification when the Americans made a revolution against Britain, went to war with and expelled the Indians, expanded westward, built an overseas empire, and most recently waged war in Iraq. The equivalent idea gave rise to the Jewish people in the first place, sustained them in exodus and exile, and later animated the Zionist movement, inspiring the Israelis to vanquish their enemies and conquer the West Bank and the Gaza Strip. Everywhere you look in American and Israeli history, the idea of chosenness is there. The Chosen Peoples delivers a bold new take on both nations’ histories. It shows how deeply the idea of chosenness has affected not only their enthusiasts but also their antagonists. It digs deeply beneath the superficialities of headlines, the details of negotiations, the excuses and justifications that keep cropping up for both nations’ successes and failures. It shows how deeply ingrained is the idea of a chosen people in both nations’ histories—and yet how complicated that idea really is. And it offers interpretations of chosenness that both nations dearly need in confronting their present-day quandaries. Weaving together history, theology, and politics, The Chosen Peoples vividly retells the dramatic story of two nations bound together by a wild and sacred idea, takes unorthodox perspectives on some of our time’s most searing conflicts, and offers an unexpected conclusion: only by taking the idea of chosenness seriously, wrestling with its meaning, and assuming its responsibilities can both nations thrive.

## Haikus for Jews

A great thing becomes smaller and smaller. Now, the one-volume Stone Edition of The Chumash grows to five volumes, and shrinks to two handy sizes of 6 x 4-3/4 and 6-1/2 x 8. Each of the volumes has its own index, all the haftarahs, and appropriate Megillos. And each set comes in a beautiful matching slip-case. Convenient to use, they make beautiful gifts for yourself or someone you know. For gifts? For travel? For Shul

## America's Jewish Women

Modern Catholics may be dissuaded from reading or studying the Old Testament simply because the stories seem unusual or implausible and the language, foreign and confusing. Still, we must not neglect the inestimable value of God’s self-disclosure and the wealth of wisdom within the Hebrew scriptures, nor the Jewish prayers and traditions contained within, as many of them lie at the core of our faith and worship. In a simple yet enlightening approach to scripture interpretation, Marianne Ivany provides a simplified overview of the major narratives that

comprise the story of salvation history while offering appreciation for the role of Israel as God's chosen nation. Throughout her study, Dr. Ivany invites spiritual seekers to explore the Old Testament, comprehend its continuum within the message of the New Testament, and reflect on its implications for understanding the life and teachings of Christ. By engaging with the text, Catholics will gain a new outlook on the depth of scripture as God's personal revelation to humanity, enriched by the timelessness and wisdom of His word. In this Catholic study, believers will gain a new appreciation for the Hebrew scriptures of Jesus and the way they serve as the background for the Catholic faith.

## **The Myth of the Jewish Race**

Presents the story of the author's journeys across America to attend the most distinctive b'nai mitzvah he could find in order to reveal how the bar and the bat mitzvah have become a distinctively American rite of passage.

## **How To Raise A Jewish Dog**

A striking look at the Jewish rite-and at American Jews in all their diversity. Thirteen years ago, Mark Oppenheimer set off throughout the United States to see how the bar and bat mitzvah were practiced in different regions, by different boys and girls, from different streams of Judaism. That book, "Thirteen and a Day," is now being republished on its thirteenth birthday-its bar mitzvah-as "The Bar Mitzvah Crasher." Since its emergence here a century ago, the bar or bat mitzvah has become a distinctively American rite of passage, so much so that, in certain suburbs today, gentile families throw parties for their thirteen-year-olds, lest they feel left out. How did this come about? To answer that question, Mark Oppenheimer set out across America to attend the most distinctive b'nai mitzvah he could find. "The Bar Mitzvah Crasher" is the story of what he found-an altogether fresh look at American Jews today. Beginning with the image of a party of gaudy excess, Oppenheimer then goes farther afield in the great tradition of literary journalists from Joseph Mitchell to Ian Frazier and Susan Orlean. The two dozen Jews of Fayetteville, Arkansas, he finds, open their synagogue to eccentrics from all over the Ozarks. Those of Lake Charles, Louisiana, pass the hat to cover the expenses of their potluck dinner. And in Anchorage, Alaska, a Hasidic boy's bar mitzvah in a snowed-in hotel becomes a striking image of how far the Jewish diaspora has spread. In these people's company, privy to their soul-searching about their religious heritage, Oppenheimer finds that the day is full of wonder and significance. Part travelogue, part spiritual voyage, "The Bar Mitzvah Crasher" is a lyrical, entertaining, even revelatory look at American Jews and one of the most original books of literary journalism to appear in some years.

## **Publishing Addiction Science**

You don't have to own a dog and you don't have to be Jewish A humour title about using guilt, shame and passive aggression to raise your dog that will have you barking with laughter. A 'Not Missing Yet' sign informs neighbours that dog is not missing. Some trainers call this precaution unnecessary. We say: It couldn't hurt. Finally! The dog training techniques and tips developed by the renowned Rabbis of

the Boca Raton Theological Seminary are available in book form. Look out, monks. Step aside, whisperer. Rabbi Monica and Rabbi Alan show, step by step, how you can use guilt, shame, passive aggression, sarcasm and Conditional Unconditional Love to create an unbreakable bond with your dog. It's all here, including: - The five ways of commanding 'Sit!' ('What, would it kill you to sit down for one lousy second?') - A useful list of Advanced Commands ('Don't stare at Cousin Edith's hair when she comes over.') - How to use Situational Martyrdom when the dog disobeys ('Fine. Do what you want. I hope you have a nice life.') The rabbis have been training dogs - and their owners - for 20 years. Now they bring the fruits of their vast experience to dog owners everywhere. And the best part? You don't have to be Jewish to benefit from the programme. Just neurotic. Or crazy about your dog.

## **A Terrible Country**

2020 American Book Fest Best Book Awards Finalist in the U.S. History category In the wee hours of May 15, 1902, three thousand Jewish women quietly took up positions on the streets of Manhattan's Lower East Side. Convinced by the latest jump in the price of kosher meat that they were being gouged, they assembled in squads of five, intent on shutting down every kosher butcher shop in New York's Jewish quarter. What was conceived as a nonviolent effort did not remain so for long. Customers who crossed the picket lines were heckled and assaulted, their parcels of meat hurled into the gutters. Butchers who remained open were attacked, their windows smashed, stocks ruined, equipment destroyed. Brutal blows from police nightsticks sent women to local hospitals and to court. But soon Jewish housewives throughout the area took to the streets in solidarity, while the butchers either shut their doors or had them shut for them. The newspapers called it a modern Jewish Boston Tea Party. The Great Kosher Meat War of 1902 tells the twin stories of mostly uneducated female immigrants who discovered their collective consumer power and of the Beef Trust, the midwestern cartel that conspired to keep meat prices high despite efforts by the U.S. government to curtail its nefarious practices. With few resources and little experience but a great deal of steely determination, this group of women organized themselves into a potent fighting force and, in their first foray into the political arena in their adopted country, successfully challenged powerful vested corporate interests and set a pattern for future generations to follow.
