The Serpent Power

The subject to be discussed in the present chapter is one of the most fascinating that can engage the attention of anthropologists. It is remarkable, however, that although so much has been written in relation to it, we are still almost in the dark as to the origin of the superstition in question. The student of mythology knows that certain ideas were associated by the peoples of antiquity with the serpent, and that it was the favourite symbol of particular deities; but why that animal rather than any other was chosen for the purpose is yet uncertain. The facts being well known, however, I shall dwell on them only so far as may be necessary to support the conclusions based upon them. We are indebted to Mr. Fergusson for bringing together a large array of facts, showing the extraordinary range which serpent-worship had among ancient nations. It is true that he supposes it not to have been adopted by any nation belonging to the Semitic or Aryan stock; the serpent-worship of India and Greece originating, as he believes, with older peoples. However this may be, the superstition was certainly not unknown to either Aryans or Semites. The brazen serpent of the Hebrew exodus was destroyed in the reign of Hezekiah, owing to the idolatry to which it gave rise. In the mythology of the Chaldeans, from whom the Assyrians seem to have sprung, the serpent occupied a most important position. Among the allied Phoenicians and Egyptians it was one of the most divine symbols. In Greece, Hercules was said "to have been the progenitor of the whole race of serpent-worshipping Scythians, through his intercourse with the serpent Echidna;" and when Minerva planted the sacred olive on the Acropolis of Athens, she placed it under the care of the serpent-deity Erechthonios.

The Serpent's Curse

Archaeologist James R. Cunne examines the petroglyphs of northeastern Arizona. Story-line vignettes provide an insight into the lives of the area's prehistoric inhabitants. Over 400 photos and illustrations.

Christian Symbols, Ancient Roots

Drawing together temple art, myths, rituals and poetry, Hathor Rising reveals a rich tradition of feminine divinity. It explores how the sexual polarity of Hathor and the sun god manifests in the Pharaoh's life' as

well as Hathor's connection with Isis and the moon cults. The serpent cult was given a new impetus by Hatshepsut, the innovative female Pharaoh whose remarkable reign, early in the 15th century BC, laid the foundations for the cultural splendour of New Kingdom Egypt. Ecstatic, musical, heart-centred -- the serpent tradition was interrupted only by the reign of Akhenaten who suppressed much of the serpent cult in favour of a trinitarian father god.

The Serpent Power

The serpent of ancient times was more often associated with positive attributes like healing and eternal life than it was with negative meanings. This groundbreaking book explores in plentiful detail the symbol of the serpent from 40,000 BCE to the present, and from diverse regions in the world. In doing so it emphasizes the creativity of the biblical authors' use of symbols and argues that we must today reexamine our own archetypal conceptions with comparable creativity.--From publisher description.

Dark Light Consciousness

First published in 1918, "The Serpent Power" is an important and influential text for the modern practice of Kundalini yoga in the West. Written by Sir John George Woodroffe, under his pseudonym Arthur Avalon, it is a scholarly and insightful study of both ancient texts and the philosophies of Kundalini, Shakti, meditation, and yogic practice. Woodroffe was born in Calcutta, India and followed in his father's footsteps in a successful legal career that included many years serving as the Chief Justice on the High Court of India. In addition to his professional judicial duties he also extensively studied Hindu philosophy and translated many Sanskrit texts. He wrote many books on Tantrism and yoga under his pseudonym and was a noted speaker and expert on Indian philosophy. "The Serpent Power" is his most popular and enduring work and is notable for its accurate and nuanced translations of two important ancient Tantric texts: "The Description of the Six Chakras" and "Five-fold Footstool". This classic text remains an important guide for all of those who are interested in Kundalini yoga as well as ancient Hindu philosophy and meditative practices. This edition is printed on premium acid-free paper.

The Sign of the Serpent

Theodosia Throckmorton has her hands full at the Museum of Legends and Antiquities in London. Her father may be head curator, but it is Theo—and only Theo—who is able to see all the black magic and ancient curses that still cling to the artifacts in the museum. Sneaking behind her father's back, Theo uses old, nearly forgotten Egyptian magic to remove the curses and protect her father and the rest of the museum employees from the ancient, sinister forces that lurk in the museum's dark hallways.

Annual Egyptological Bibliography

The Oxford Encyclopedia of Women in World History: Dance

Ancient civilizations once worshipped female deities and women were the leaders, counsellors and healers of their communities. Through the ages, the wisdom of the Goddess was then forgotten, and people around the world lost their connection to ancient feminine wisdom.

Hathor Rising

Ancient peoples articulated and made sense of their lives through the powerful world of symbol, and Christianity absorbed such symbols as blood, corn, fire and water, adding new dimensions of meaning to each one. By medieval times, these symbols provided access to a many-levelled world in which pagan and Christian truths shed light upon each other. During the Age of Reason, the language of symbol was spoken less, and now that symbols are valued once again, Christians often fear to reconnect religious symbols with their ancient roots. As a result the symbol world of modern Christians is often a pale shadow of the world their forebears inhabited. This book selects dominant Christian symbols and places them against the archaic background from which they grew, drawing on myths and rituals of both ancient and contemporary cultures, thereby integrating the worlds of symbol and reality, sacred and secular, myth and history.

The Serpent in Medicine

MEDITATION The Ancient Egyptian Path to Enlightenment Many people do not know about the rich history of meditation practice in Ancient Egypt. This volume outlines the theory of meditation and presents the Ancient Egyptian Hieroglyphic text which give instruction as to the nature of the mind and its three modes of expression. It also presents the texts which give instruction on the practice of meditation for spiritual Enlightenment and unity with the Divine. This volume allows the reader to begin practicing meditation by explaining, in easy to understand terms, the simplest form of meditation and working up to the most advanced form which was practiced in ancient times and which is still practiced by yogis around the world in modern times.

Awakening the Ancient Power of Snake

The Book Spans The Chasm That Has Long Separated Ancient Insight And Modern Knowledge. The Image Of The Hooded Serpent Or Cobra -- Revered Throughout Time In India As A Symbol Of Consciousness And Vitalizing Life Energy -- Has In The West Lain Buried In Shame Throughout 2000 Years Of History. Today However, Scientific Evidence For The Substantial Reality Of Universal Life Energy Fields In Accordance With The Ancient Edicts, Has Shattered The Reductionist'S View That Consciousness And Mind Are Mere Effects Of Physical Causes.

Stone Magic of the Ancients

In "Encounter with the Plumed Serpent," two leading scholars present and interpret the sacred histories narrated in the Mixtec codices, the largest surviving collection of pre-Columbian manuscripts in existence. In these screenfold books, ancient painter-historians chronicled the politics of the Mixtec from approximately a.d. 900 to 1521, portraying the royal families, rituals, wars, alliances, and ideology of the times.

The Serpent and the Goddess

A spooky and darkly comic adventure set in Cornwall - Famous Five with a twist. Orla thought she was in for a relaxing family holiday, but when she finds a mysterious glowing necklace in the woods, it turns out there is a slight possibility she may have uncovered an ancient curse. After meeting a coven of old ladies, it becomes clear that Orla's arrival in Poldevel is no longer a coincidence. She's the only one who can solve this mystery, and she'll need help from the only other member of the family with good instincts - Dave the dog.

The Serpent Power

Yet again, Gardiner finds himself on a journey across the world to uncover the ancient secrets of the world's most powerful men.

The Return of the Serpents of Wisdom

A look at the mythic, archetypal, and transformational aspects of Snake • Explores how and why Snake was transformed from esteemed advisor and guardian of ancient wisdom to a symbol of deception and evil • Examines Snake's healing powers, its role in awakening kundalini, and its connections to dreams, shamanism, alchemy, and the Goddess • Shares transformational stories and practical ways that Snake can help us travel through the imaginal realm, gather treasure from the psyche, and shed outgrown aspects of self Entwined with human consciousness since prehistoric times, Snake has always been associated with transformation--from the shedding of its skin to the rising of kundalini energy. In ancient times, Snake served as protector and advisor to gods, goddesses, and royalty. But with the story of Adam and Eve, Snake became the enemy--a tempter and deceiver. How did this happen and why do humans continue to fear and vilify Snake? Inspired by a vivid dream of an immense snake that lost its tail, animal communicator Dawn Baumann Brunke investigates the interwoven history of Snake and humanity and explores how we can once again access Snake's wisdom and harness its powerful ability to heal, transform, and awaken. Uncovering ties between Snake and Goddess, the author demonstrates how both were systematically suppressed millennia ago with the spread of a patriarchal perspective that valued mastery over nature, God over Goddess. Brunke reveals how myths that originally extolled the virtues of Snake and Goddess were refashioned, recreating their images as debased and untrustworthy. She explores why snakes show up in shamanic journeys and transformational dreams and how their unique presence in our world can serve as catalysts of change, truth-telling, and enlightenment. Examining Snake's role in awakening human consciousness, Brunke considers the alchemical role of the serpent as well as Snake's connections to ancient healing, modern medicine, and even the DNA molecule. She shares psycho-activating stories to help trigger transformation and provide graceful movement through the chaos of change. And she offers practical techniques to journey with Snake through inner worlds, to shed confining aspects of self, and to integrate experiences more holistically. Brunke shows how we need to re-embrace the ancient power of Snake to better support our return to a more balanced consciousness--one that reunites nature with spirit, sacred masculine with sacred feminine--as we strive for global change and personal awakening.

Goddess Wisdom Made Easy

How to awaken the Ureus--the serpent power of spiritual transcendence within each of us--and connect to the superconscious of the universe • Reveals the biochemistry of how the body's melanin provides the template for the subtle energy body or light body • Shows how embracing the dark light consciousness of the awakened Ureus opens a portal to the sacred darkness of the superconscious • Provides illustrated instructions for meditation practices, breathing exercises, and yoga postures to safely awaken Ureus/Kundalini energy Within each of us lies the potential to activate a personal connection to the superconscious. Called "Ureus" in ancient Egyptian texts and "Kundalini" in ancient Hindu yoga traditions, our innate serpent power of spiritual transcendence inhabits the base of the spine in its dormant state. When awakened, it unfurls along the spinal column to the brain, connecting individual consciousness to the consciousness of the universe enfolded within the dark matter of space. At the root of creativity and spiritual genius across innumerable cultures and civilizations, this intelligent force reveals portals that enfold time, space, and the luminous matrix of reality itself. Combining physics, neuroscience, and biochemistry with ancient traditions from Africa and India, Edward Bruce Bynum, Ph.D., explores the ancient Egyptian science of the Ureus and reveals how it is intimately connected to dark matter and to melanin, a light-sensitive, energy-conducting substance found in the brain, nervous system, and organs of all higher life-forms. He explains how the dark light of melanin serves as the biochemical infrastructure for the subtle energy body, just as dark matter, together with gravity, holds the galaxies and constellations together. With illustrated instructions, he shows how to safely awaken and stabilize the spiritual energy of the Ureus through meditation practices, breathing exercises, and yoga postures as well as how to prepare the subtle body for transdimensional soul travel. By embracing the dark light of the shining serpent within, we overcome our collective fear of the vast living darkness without. By embracing the dark, we transcend reality to the dimension of light.

Meditation

The first step in actualizing the physical, is to realize that there is more than just the physical at work. Whole matrices of forms coincide to create the conditions for your spirit's journey, and in order for the body to be understood, its context and relationship to the whole must be considered. In ancient cultures around the world, the body was seen as the tool or vessel of the spirit, formed and developed to be a bridge between the world of the unseen, from which we come, to this world that we see and feel around us. In ancient Kamit, they understood the body to be the sacred temple of the Creator, through which divine energies could be made manifest in this realm. In keeping with our cultural discipline, the body must be kept clean, and should purified on a daily basis in order that the Divine has as clear a channel as possible to exist in this realm in and through us. This is the divine function of Wadjet Yoga- to solidify your connection to the Source of all things, and make you excellent.

Power Over the Serpent

This work is a description and explanation in fuller detail of the Serpent Power (Kundali Shakti), and the Yoga effected through it, a subject occupying a pre-eminent place in the T a n t r a Shastra. It consists of a translation of two Sanskrit works published some years ago in t h e second volume of my series of Tantrik Texts, but hitherto untranslated. The first, entitled " S h a t c h a k r a n i r u p a n a " ("Description of and Investigation into t h e Six Bodily Centres"), has as its author the celebrated Tantrik P u r n a - nanda Svami, a short note on whose life is given later. It forms t h e sixth chapter of his extensive and unpublished work on Tantrik Ritual entitled " S h r i t a t t v a c h i n t a m a n i " .

1. EGYPTIAN YOGA: THE PHILOSOPHY OF ENLIGHTENMENT An original, fully illustrated work, including hieroglyphs, detailing the meaning of the Egyptian mysteries, tantric yoga, psycho-spiritual and physical exercises. Egyptian Yoga is a guide to the practice of the highest spiritual philosophy which leads to absolute freedom from human misery and to immortality. It is well known by scholars that Egyptian philosophy is the basis of Western and Middle Eastern religious philosophies such as Christianity, Islam, Judaism, the Kabala, and Greek philosophy, but what about Indian philosophy, Yoga and Taoism? What were the original teachings? How can they be practiced today? What is the source of pain and suffering in the world and what is the solution? Discover the deepest mysteries of the mind and universe within and outside of your self. ISBN: 1-884564-01-1

The Early Prophecies of a Redeemer; from the First Promise to the Prophecy of Moses: Considered in Six Discourses, Etc

The Key of Life

The Princeton Dictionary of Ancient Egypt

Sir John George Woodroffe (1865–1936), also known by his pseudonym Arthur Avalon, was a British Orientalist whose work helped to unleash in the West a deep and wide interest in Hindu philosophy and Yogic practices. Woodroffe's *The Serpent Power – The Secrets of Tantric and Shaktic Yoga*, is a source for many modern Western adaptations of Kundalini yoga practice. It is a philosophically sophisticated commentary on, and translation of, the *Satcakra-nirupana* ("Description of and Investigation into the Six Bodily Centres") of Purnananda (dated c.AD 1550) and the *Paduka-Pancaka* ("Five-fold Footstool of the Guru"). The term "Serpent Power" refers to the kundalini, an energy said to be released within an individual by meditation techniques.

Women's Roles in Ancient Civilizations

According to ancient records, the patriarchs and founders of the early civilizations in Egypt, India, China, Peru, Mesopotamia, Britain, and the Americas were colonized by the Serpents of Wisdom-spiritual masters associated with the serpent-who arrived in these lands after abandoning their beloved homelands and crossing great seas. While bearing names denoting snake or dragon (such as Naga, Lung, Djedhi, Amaru, Quetzalcoatl, Adder, etc.), these Serpents of Wisdom oversaw the construction of magnificent civilizations within which they and their descendants served as the priest kings and as the enlightened heads of mystery school traditions. *The Return of the Serpents of Wisdom* recounts the history of these "Serpents"-where they came from, why they came, the secret wisdom they disseminated, and why they are returning now.

Philosophy as a Rite of Rebirth

The Sepent Power

Dr. David Frawley, the well known Vedic scholar, writes of Mr. Trivedi - "India's most insightful young astrologer offers what is probably the longest, most researched and most original book on the Lunar Nodes published in modern times. This book is worthy of serious examination by all students of Astrology and all those interested in the great mysteries of life, death, karma and transformation."

Orla and the Serpent's Curse

Leigh Bardugo's Six of Crows meets Alexandra Bracken's Passenger in this spellbinding conclusion the "vivid and compelling" (BCCB), New York Times bestselling Last Magician series. Evade the Serpent. Heed the Curse. Rewrite the Present. Esta isn't a stranger to high-stakes heists. She's a seasoned thief who has no reservations about using her affinity for time to give her an edge, and she's trained her whole life for one mission: travel back to 1902 New York, steal the ancient Book of Mysteries, and use its power to destroy the Brink and free the Mageus from the Order's control. But the Book held a danger that no one anticipated—Seshat, an angry goddess was trapped within its pages. Now that terrible power lives within Harte, and if given the chance, Seshat will use Esta to destroy the world and take her revenge. Only Esta and Harte stand in her way. Yet in their search to recover the elemental stones needed to bind Seshat's power, Esta and Harte have found themselves stranded in time with a continent between them. As Esta fights to get back to Harte, the Order is no longer the only obstacle standing in her way. Saving Harte—and magic itself—will put even Esta's skills to the test. And all the while, another danger grows, one more terrible than both Seshat and the Order combined

The Origin of Serpent Worship

THE SERPENT POWER: The Ancient Egyptian Mystical Wisdom of the Inner Life Force. This volume shows how the discipline of spiritual evolution through life force cultivation-known as Kundalini in India- was actually known about and practiced in ancient Egypt-Africa thousands of years before. This Volume specifically deals with the latent life Force energy of the universe and in the human body, its control and sublimation. How to develop the Life Force energy of the subtle body. This Volume will introduce the esoteric wisdom of the science of how virtuous living acts in a subtle and mysterious way to cleanse the latent psychic energy conduits and vortices of the spiritual body.

Part travel adventure, part spiritual instruction - a first-hand account of the movement of the Earth's Kundalini and the rise of the Female Light, 1948 to 2013.

Encounter with the Plumed Serpent

Read Free The Serpent Power The Ancient Egyptian Mystical Wisdom Of The Inner Life Force

Melusine the Serpent Goddess in Myth and Literature examines how women were once worshipped as the life force, but later suppressed with the introduction of monotheism and a changing attitude regarding the sexes. It connects the literary conception of the Melusine story to myths and legends of the snake or dragon goddess, from ancient to contemporary times.

Wadjet Yoga

Kundalini Yoga

For thousands of years, many have wondered at the tales of the mysterious force called the serpent power or the kundalini, yet the method to attain this power has been hidden, misunderstood, or sometimes, intentionally sabotaged. Now, like a refreshing spring breeze, Samael Aun Weor wipes away the dust and reveals the sacred mysteries of our most ancient and holy science. With a firm foundation in scripture and practical knowledge, the method to awaken and develop the root energy of life is made clear and accessible to all. It is no longer necessary to theorize or debate: through the practice of the techniques in this book, one can "know." 'You will find terrific secrets within this book, secrets that never in the history of life were published.' - Samael Aun Weor Includes an excerpt about sexual energy from the important Yoga scripture 'Siva Samhita.' Topics include: The Universal Fire; The Degrees of Power of the Fire; The Two Witnesses; The Yogic Matrimony; The Seven Chakras; The Chakra Muladhara; The Chakra Svadhishtana; The Chakra Manipura; The Chakra Anahata; The Chakra Vishuddha; The Chakra Ajna; The Chakra Sahasrara; The Seven Seals; Internal Meditation; and more.

Anatolia, Or, Russia Triumphant and Europe Chained

Considered the prime document for study and application of Kundalini yoga, this work probes the philosophical and mythological nature of Kundalini, the esoteric anatomy associated with it, and much more.
