### D.L. Moody - A Life

Scripture says that offenses will happen. People will let us down and we will let others down, as well. Forgiveness is left up to us to pray about and then practice. Far from minimizing the hurt of the offense, readers are called to understand that offering forgiveness and letting go of bitterness is the only way to walk in faithfulness. Drawing on biblical teaching of our call to forgive, Nancy shows the reader that forgiveness is a choice- and the only pathway to true freedom.

### Shenanigans at Sugar Creek

The Hardy brothers must dismantle a dangerous crime gang in this first book of a fresh approach to a classic series. Teenagers Frank and Joe Hardy are supposedly “retired” from their detective work. But there is a new mystery in Bayport that needs their investigative expertise—and fast! Starting with a bank heist, a series of alarming pranks have popped up around Bayport. Ultimately harmless, the pranks turn out to be the work of Seth Diller, an amateur filmmaker who plans to make “zillions” from his reality-horror flick, which he’ll use to help out his brother, a wounded Marine. But after the Hardy brothers put a stop to the Panic Project, there is a new outbreak of Seth-like pranks—only these have definite victims. All signs point to evidence of a crime gang in Bayport, and Frank and Joe undertake the most dangerous investigation they’ve ever encountered. It’s up to them to save their town—and themselves—before the Red Arrow gets to them first.

### The Mandie Collection

What does it mean to be a woman? The current cultural ideal for womanhood encourages women to be strident, sexual, self-centered, independent -- and above all -- powerful and in control. But sadly, this model of womanhood hasn't delivered the happiness and fulfillment it promised. The Bible teaches that it's not up to us to decide what womanhood is all about. God created male and female for a very specific purpose. His design isn't arbitrary or unimportant. It is very intentional and He wants women to discover, embrace, and delight in the beauty of His design. He's looking for True Women! Bible teachers Mary A. Kassian and Nancy Leigh DeMoss share the key fundamentals of biblical womanhood in this eight week study. Each week includes five daily individual lessons leading to a group time of sharing and digging deeper into God's Word. And to enhance this time of learning together, on-line videos are available featuring Mary and Nancy as they encourage women to discover and embrace God's design and mission for their lives. A True Woman Book The goal of the True Woman publishing line is to encourage women to: Discover, embrace, and delight in God's divine design and mission for their lives Reflect the beauty and heart of Jesus Christ to their world Intentionally pass the baton of Truth on to the next generation Pray earnestly for an outpouring of God's Spirit in their families, churches, nation and world

### The Ghost Dog

Edible insects have always been a part of human diets, but in some societies there remains a degree of disdain and disgust for their consumption. Insects offer a significant opportunity to merge traditional knowledge and modern science to improve human food security worldwide. This publication describes the contribution of insects to food security and examines future prospects for raising insects at a commercial scale to improve food and feed production, diversify diets, and support livelihoods in both developing and developed countries. Edible insects are a promising alternative to the conventional production of meat, either for direct human consumption or for indirect use as feedstock. This publication will boost awareness of the many valuable roles that insects play in sustaining nature and human life, and it will stimulate debate on the expansion of the use of insects as food and feed.

### One Stormy Day

This collection of interrelated stories is heartwarming and laugh-out-loud funny. Cynthia Leitich Smith, acclaimed author of *Rain Is Not My Indian Name*, writes with wit and candor about what it's like to grow up as a Seminole-Cherokee boy who is just as happy pounding the pavement in windy Chicago as rowing on a lake in rural Oklahoma. This chapter book [or this series] is perfect for growing readers in first or second grade. What do Indian shoes look like, anyway? Like beautiful beaded moccasins or hightops with bright orange shoelaces? Ray Halfmoon prefers hightops, but he gladly trades them for a nice pair of moccasins for his Grampa. After all, it's Grampa Halfmoon who's always there to help Ray get in and out of scrapes--like the time they are forced to get creative after a homemade haircut makes Ray's head look like a lawn-mowing accident. *Shoes* is a good book for any elementary-aged reluctant reader, and a necessity for indigenous children everywhere."--School Library Journal
