One of the greatest self-help books ever written, this deluxe edition of the classic work, *Think and Grow Rich*, includes a 21st century study guide filled with practices and exercises that will flood your conscious and subconscious mind, heart, and soul, with positive energy and life-enhancing ideas. Napoleon Hill was a consultant living in the White House when FDR was leading the nation through the Great Depression. It was while he was there, that Hill wrote *Think and Grow Rich*. More than twenty years before, Hill was commissioned by the richest man in the world at the time, Andrew Carnegie, to interview five hundred of the most successful people in the country, and develop a philosophy of success. He wanted to inspire ordinary people and give them direction in life. Carnegie thought it was a shame that the accumulated know-how of each successful man went to the grave with him and that every person had to learn through the hard process of trial and error every time. With this book, you can start a journey of self-discovery. Be all you are capable of as you begin on your way to accumulating all of the riches that you desire.

Women are the future of American business. According to a recent Nielsen report, women will control two-thirds of American consumer wealth in less than a decade. And yet almost all business and success literature is still written for men—dispensing advice that doesn't take into account women's unique strengths or address the demands of family life on mothers. *Think and Grow Rich for Women* is a powerful new book—from the award-winning author of *Think and Grow Rich: Three Feet from Gold* and coauthor of the multimillion-selling *Rich Dad, Poor Dad*. It combines Hill's classic *Thirteen Steps to Success* with case studies of noteworthy women (including Sandra Day O'Connor, Maya Angelou, Katie Couric, Caroline Kennedy, Madonna, Oprah Winfrey, Margaret Thatcher, Condoleezza Rice, J. K. Rowling, Barbara De Angelis, Marianne Williamson Angela Merkel, Mary Kay Ash, IBM CEO Ginni Rometty and many more), outlining a master plan for success for all women.

Finally back in print, this true lost classic records Napoleon Hill's first, fateful encounter with industrialist Andrew Carnegie, where the young Hill learned the secrets to winning at life. Returned to print after many years of unavailability, here is the one-and-only trade edition of a treasury of wisdom. Think Your Way to Wealth captures Napoleon Hill's initial encounter with Andrew Carnegie, who revealed the money-attracting strategy that Hill later popularized in classic books like Think and Grow Rich and The Law of Success. While working as a reporter for an inspirational magazine in 1908, Napoleon Hill chanced upon an opportunity that gave direction to his life. The young writer landed an interview with industrial giant Carnegie. Hill had just one key question for the magnate: What is the secret to your success? Carnegie's response electrified Hill and launched him on a lifelong mission to distill the steps to success into a clear, definite protocol that could be used by any motivated man or woman. Think Your Way to Wealth is Hill's vivid account of that seminal meeting. ### Think and Grow Rich

Why Write A New Think and Grow Rich? At first exposure the very idea of rewriting the greatest success classic of all time sounds like some fruit from California announcing he's re-written the Bible. However, looking at it correctly, wouldn't it be amazing if a "how-to" manual didn't need updating after 70 years of service? What other body of knowledge and practice has not progressed dramatically in the intervening years?! Can the science of personal achievement be any different? So what kinds of changes can you expect? Certainly modern advances in neuro-science, motivation, NLP, and quantum reality make it easier to grasp the secret, and have been included. Also, those uncomfortable "isms of an antique age" have been eliminated. You no longer have to be a white American male to achieve success..thus the language, quotes, examples and stories include, while retaining much of the familiar work, women, other races and nationalities. More accessible for young people, who need it most!

What you are today is not important . . . for in this runaway bestseller you will learn how to change your life by applying the secrets you are about to discover in the ancient scrolls. " I will persist until I succeed. I was not delivered into this world into defeat, nor does failure course in my veins. I am not a sheep waiting to be prodded by my shepherd. I am a lion and I refuse to talk, to walk, to sleep with the sheep. The slaughterhouse of failure is not my destiny. I will persist until I succeed. " —From the ancient scroll marked III in The Greatest Salesman in the World Praise for The Greatest Salesman in the World " The Greatest Salesman in the World is one of the most inspiring, uplifting, and motivating books I have ever read. I can well understand why it has had such a splendid acceptance. " —Norman Vincent Peale " At last! A book on sales and salesmanship that can be read and enjoyed by veteran and recruit alike! I have just completed The Greatest Salesman in the World for the second time—it was too good for just one reading—and in all sincerity, I say that it is the most readable, most constructive and most useful instrument for the teaching of sales as a profession that I have ever read. " —F.W. Errigo, Manager, U. S. Sales Trainer at Parke, Davis & Company " I have read almost every book that has ever been written on salesmanship, but I think Og Mandino has captured all of them in The Greatest Salesman in the World. It is a book to keep at the bedside, or on the living room table—a book to

Bradshaw, Jr., Former Dean, Dale Carnegie Institute of Effective Speaking & Human Relations “ I was overwhelmed by The Greatest Salesman in the World. It is, without doubt, the greatest and the most touching story I have ever read. It is so good that there are two musts that I would attach to it: First, you must not lay it down until you have finished it; and secondly, every individual who sells anything, and that includes us all, must read it. ” —Robert B. Hensley, President, Life Insurance Co. of Kentucky “ Og Mandino provocatively prods your attention into fascination as he masterfully relates his story. The Greatest Salesman in the World is a book with emotional appeal for millions. ” —Roy Garn, Executive Director, Emotional Appeal Institute “ There are very few men who have the writing talent with which Og Mandino has been blessed.
