world.

The 49th Mystic

It is then, in the midst of chaos and pain that the Martyr's Song is first heard. It is then that the window into heaven first opens. It is then that love and beauty are shown in breathtaking reality.

Down Syndrome: From Understanding the Neurobiology to Therapy

The award-winning, best-selling suspense masterwork, now a major motion picture event. Enter a world where nothing is what it seems. Where your closest friend could be your greatest enemy. Kevin Parson is alone in his car when his cell phone rings. A man calling himself Slater offers a deadly ultimatum: You have exactly three minutes to confess your sin to the world. Refuse, and the car you're driving will blow sky high. Then the phone goes dead. Kevin panics. Who would make such a demand? What sin? Yet not sure what else to do, Kevin swerves into a parking lot and runs from his car. Just in case. Precisely three minutes later, a massive explosion sets his world on a collision course with madness. And that's only the first move in this deadly game. From the #1 best-selling fiction author comes a powerful story of good, evil, and all that lies between.

Heaven's Wager

In rural Alabama, two couples find themselves in a fight for survival. Running from a maniac bent on killing them, they flee to an old house that's been empty for years, or so they think.

House

One afternoon, every single machine in sixteen-year-old Adam's high school computer lab stops working. Outside, cars won't start, phones are down, and a blackout is widespread. Soon Adam will discover that the problem has paralyzed not just his town but the whole country and beyond. As resources dwindle, crises mount, and chaos descends, he will see that his suburban neighborhood must band together for protection. Violence will erupt and Adam will understand that having a police captain for a mother and a retired government agent living next door are not just the facts of his life but the keys to his survival. Set in the here and now but with a distinctly dystopian feel, this is Eric's most exciting and commercial title yet!

Three Sisters

A lone gunman reluctantly accompanies a young boy and his dying drug-dependant mother, protecting them against the forces in pursuit. Fighting their way across the wastelands of the world, they seek the father of the boy, who - it is promised - will offer protection. But dangerous

creatures live in the shadows, and there are assassins at every turn.

The Bride Collector

This book introduces a new conceptual category to philosophical and political discourse, namely Hecate-isms, which can be applied to post – postmodernist theory. This concept is defined here as resulting from the philosophical and political mechanisms of the rule of three, and as representing a tri-phase construction of homo triplex, including elements such as prosperity – security – freedom and distance – power – security. The book will appeal to the wider academic community, to PhD students, professors, and researchers with an interest in political philosophy, political science, postmodern philosophy, and cultural studies.

Darkness follows the supernatural battle over the small town of Bacon's Corner, where, once again, armies of angels and demons are at war. Sally Beth Roe is trying to escape her past and struggling to find the truth, while Tom Harris finds himself embroiled in a battle to save a Christian school threatened by outside forces.

Mortal

Donovan Chase is a privileged, popular seventeen year old who finds himself amidst a throng of homeless youth insurgents set against a corrupting American government in the wake of a third world war. After meeting the extremely independent Zhi, and a mysterious girl named Zoe who immediately catches his eye, he is forced to make the decision to return to his old life or to join the two. When the group finds out about a secret government agency known as the NCDC, he and his new friends take on the daunting task of restoring the US to its former glory, and attempting to establish what 'One Nation Under God' really is. Following a cross-country journey that takes him from boy to man, Donovan must face himself and learn the skills that it takes to become a leader and to learn to value what is truly important in life. On the journey, the group rallies together like-minded young individuals as the NCDC makes power plays and the nation begins to slowly self-implode. The US is not the only nation at play, however, as alliances are made, lines are drawn, and treaties take place around the world making war inevitable. War Thr3e is a contemporary, action packed saga that follows the title character from riches to rags to becoming the leader of a third world war.

The Rule of Three

Three: Enter a world where nothing is what it seems. Where your closest friend could be your greatest enemy. Kevin Parson is driving his car late one summer day when, suddenly, his cell phone rings. A man who identifies himself as Slater speaks in a breathy voice: You have exactly three minutes to confess your sin to the world. Refuse, and the car you're driving will blow sky high. Kevin panics. Who would make such a call? What sin? Kevin ditches the car. Precisely three minutes later, a massive explosion sets his world on a collision course with madness. From the #1 best-selling fiction author comes a powerful story of good, evil, and all that lies between. Obsessed: A deadly tale of ultimate obsession. Stephen Friedman is making a good living in good times. He's just an ordinary guy. Or so he thinks. But one day an extraordinary piece of information tells him differently. It's a clue from the grave of a Holocaust survivor. A clue that makes him heir to an incredible fortune a clue that only he and one other man can possibly understand. That man is Roth Braun, a serial killer who has been waiting for Stephen for thirty years. Roth was stopped once before. This time nothing will get in his way. Known worldwide for page-turning, adrenaline-laced thrillers, Dekker raises the stakes in this story of passion, revenge, and an all-consuming obsession for the ultimate treasure.

A freak storm has spawned three tornadoes that are bearing down on the town of Summerville. Yet under the cover of the storm looms a much more ominous threat: A vindictive killer known as Red who's left a string of victims in his wake and is now bent on exacting his final revenge on the unsuspecting town. But there is an enigma surrounding Red that the FBI is unwilling to admit—closely guarded secrets of something gone terribly wrong beneath the skin of Summerville. Secrets that will destroy far more than one small town. Wendy Davidson is caught in the middle. She's a recovering cult survivor who takes refuge in Summerville on her way to visit her estranged mother. And with her, four strangers, any of whom could be the next victim . . . or the killer.

When several students at Baker High School are stricken by an alleged curse of the school's ghost, Elijah and Elisha Springfield and their parents, undercover investigators, are sent to uncover the truth behind the events.

The Book of Three

Centuries have passed since civilization's brush with apocalypse. The world's greatest threats have all been silenced. There is no anger, no hatred, no war. There is only perfect peace and fear. A terrible secret was closely guarded for centuries: every single soul walking the earth,

though in appearance totally normal, is actually dead, long ago genetically stripped of true humanity. Nine years have gone by since an unlikely hero named Rom Sebastian first discovered a secret and consumed an ancient potion of blood to bring himself back to life in Forbidden. Surviving against impossible odds, Rom has gathered a secret faction of followers who have also taken the blood-the first Mortals in a world that is dead. But The Order has raised an elite army to hunt and crush the living. Division and betrayal threaten to destroy the Mortals from within. The final surviving hope for humanity teeters on the brink of annihilation and no one knows the path to survival. On the heels of Forbidden comes MORTAL, the second novel in The Books of Mortals saga penned by Ted Dekker and Tosca Lee. Set in a terrifying, medieval future, where grim pageantry masks death, this tale of dark desires and staggering stakes peels back the layers of the heart for all who dare take the journey. The Books of Mortals are three novels, each of which stands on its own, yet all are seamlessly woven into one epic thriller.

Three Comrades

It takes an obsessive mind to know one. And Daniel Clark knows the elusive killer he's been stalking. He's devoted every waking minute as a profiler to find the serial killer known only as Eve. He's pored over the crime scenes of sixteen young women who died mysterious deaths, all in underground basements or caverns. He's delved into the killer's head and puzzled over the twisted religious overtones of the killings. What Daniel can't possibly know is that he will be Eve's next victim. He will be the killer's first Adam. After sixteen hopeless months, the case

takes a drastic turn on a very dark night when Daniel is shot and left for dead. Resuscitated after twenty minutes of clinical death, Daniel finds himself haunted by the experience. He knows he's seen the killer's face, but the trauma of dying has obscured the memory and left him with crushing panic attacks. Nothing--not even desperate, dangerous attempts to reexperience his own death--seems to bring him closer to finding the killer. Then Eve strikes again, much closer to home. And Daniel's obsession explodes into a battle for his life . . . his sanity . . . his very soul. Enter a world of death and near death that blurs the lines between fiction and reality in a way that will leave you stunned. "The detail is stunning, pointing to meticulous research in FBI methods, forensic medicine, and psychological profiling. We have to keep telling ourselves that this is fiction. At the same time, we can't help thinking that not only could it happen, but that it will happen if we're not careful." David M. Kiely and Christina McKenna, authors of *The Dark Sacrament*

FBI Special Agent Brad Raines is facing his toughest case yet. A Denver serial killer has killed four beautiful young women, leaving a bridal veil at each crime scene, and he's picking up his pace. Unable to crack the case, Raines appeals for help from a most unusual source: residents of the Center for Wellbeing and Intelligence, a private psychiatric institution for mentally ill individuals who are extraordinarily gifted. It's there that he meets Paradise, a young woman who witnessed her father murder her family and barely escaped his hand. Diagnosed with schizophrenia, Paradise may also have an extrasensory gift: the ability to experience the final moments of a person's life when she touches the dead body. In a desperate attempt to find the killer, Raines enlists Paradise's help. In an effort to win her trust, he befriends this strange young woman and begins to see in her qualities that most 'sane people' sorely lack. Gradually, he starts to question whether sanity resides outside the hospital walls or inside. As the Bride Collector increases the pace and volume of his gruesome crucifixions, the case becomes even more personal to Raines when his friend and colleague, a beautiful young forensic psychologist, becomes the Bride Collector's next target. The FBI believes that the killer plans to murder seven women. Can Paradise help before it's too late?

A stranger named Marsuvees Black appears and announces he has come to bring hope and

grace to the mountain town, Paradise, offering dazzling love, faith, and fun to residents, but as dark clouds and sandstorms shut Paradise off from the rest of the world, the unthinkable happens in an ultimate collision between good and evil. By the author of Obsessed.

The Complete Circle Series

Some say the great mystery of how one can live in two worlds at once died with Thomas Hunter many years ago. Still others that the gateway to that greater reality was and is only the stuff of dreams. They are wrong. In the small town of Eden, Utah, a blind girl named Rachelle Matthews is about to find out just how wrong. When a procedure meant to restore Rachelle's sight goes awry, she begins to dream of another world so real that she wonders if Earth might only be a dream experienced when she falls asleep in that reality. Who is a simple blind girl to have such strange and fantastic dreams? She's the prophesied one who must find and recover five ancient seals--in both worlds--before powerful enemies destroy her. If Rachelle succeeds in her quest, peace will reign. If she fails, both worlds will forever be locked in darkness. So begins a two-volume saga of high stakes and a mind-bending quest to find an ancient path that will save humanity. The clock is ticking; the end rushes forward. Ready? Set? Dream.

desert and no one has seen him since he was a boy. In this explosive sequel to *Blessed Child*, Jewish soldier-turned-archaeologist Rebecca Soloman leads a team deep into the Ethiopian desert to find the one man who may know the final resting place of the Ark of the Covenant. Such a discovery would bring hope back to her people. Her search brings excitement and danger – including unexpected love and a discovery far more powerful than even the holy artifact. Meanwhile, Islamic fundamentalists dispatch Ismael, their most accomplished assassin, to pursue Rebecca and the man she’s searching for. These men fear that the Ark’s discovery will compel Israel to rebuild Solomon’s temple – on the very site of their holy mosque in Jerusalem. But the man they seek is no ordinary man. His name is Caleb, and he too is on a mission – to find again the love he embraced as a child and to share that love with the world.

powerful comment on duty, betrayal, infidelity and honour, it is also about women's struggle to retain autonomy in a world that privileges men, as Chitra transforms an ancient story into a gripping, contemporary battle of wills. While the Ramayana resonates even today, she makes it more relevant than ever, in the underlying questions in the novel: How should women be treated by their loved ones? What are their rights in a relationship? When does a woman need to stand up and say, 'Enough!'

Down syndrome (DS) is the most common example of neurogenetic aneuploid disorder leading

to mental retardation. In most cases, DS results from an extra copy of chromosome 21 (HSA21) producing deregulated gene expression in brain that gives rise to subnormal intellectual functioning. The topic of this volume is of broad interest for the neuroscience community, because it tackles the concept of neurogenomics, that is, how the genome as a whole contributes to neurodevelopmental cognitive disorders, such as DS, and thus to the development, structure and function of the nervous system. This volume of Progress in Brain Research discusses comparative genomics, gene expression atlases of the brain, network genetics, engineered mouse models and applications to human and mouse behavioral and cognitive phenotypes. It brings together scientists of diverse backgrounds, by facilitating the integration of research directed at different levels of biological organization, and by highlighting translational research and the application of the existing scientific knowledge to develop improved DS treatments and cures. Leading authors review the state-of-the-art in their field of investigation and provide their views and perspectives for future research. Chapters are extensively referenced to provide readers with a comprehensive list of resources on the topics covered. All chapters include comprehensive background information and are written in a clear form that is also accessible to the non-specialist.
