Christmas with the Colburns

Madre de Dios - 'Mother of God' - is a place where the Andean Cloud Forest intermingles with the steaming tropical jungle at the head of the Amazon river. Here can be found the greatest proliferation of living species that has ever existed on Earth, ever. And it is a place which is now under grave threat. Paul Rosolie has travelled to the very heart of this wilderness in search of rare flora and fauna. His adventures - with giant anacondas, huge cayman, the mighty jaguar and one very small anteater - are by turn thrilling, terrifying and revelatory. Paul crosses some of the world's harshest terrain and encounters some of its most extreme weather conditions. He battles with life-threatening tropical

A Children's Bible

Henry is the last person Hannah wants reading her story. Will he be the first person to awaken her heart? It's 1868 in the settlement of Good Springs, and Hannah Vestal is passionate about writing fiction and keeping her stories to herself. By lantern light she slips into her story world and dreams the adventures she'll never experience. When her father asks to read her work, she decides to have it printed secretly for his 50th birthday. Hannah tries to arrange the printing with the settlement's pressman, but the witty and dapper Henry Roberts won't make it easy for her to prove her writing is worthy of his ink. If Henry Roberts did nothing else for the rest of his life but print and bind books, he would die a satisfied man. In order to secure settlement support for his printing press, the elder council says Henry must print an error-free copy of the New Testament before the settlement's 8th anniversary celebration. He is determined to meet their challenge, but when the enigmatic Hannah proves to be a beguiling distraction, Henry longs for something more than a life at the letterpress. Get swept away to the hidden frontier settlement where love requires sacrifice, faith-filled adventures await, and sweet romance makes people glad to be alive. Scaling Impact introduces a new and practical approach to scaling the positive impacts of research and

innovation. Inspired by leading scientific and entrepreneurial innovators from across Africa, Asia, the Caribbean, Latin America, and the Middle East, this book presents a synthesis of unrivalled diversity and grounded ingenuity. The result is a different perspective on how to achieve impact that matters, and an important challenge to the predominant more-is-better paradigm of scaling. For organisations and individuals working to change the world for the better, scaling impact is a common goal and a well-founded aim. The world is changing rapidly, and seemingly intractable problems like environmental degradation or accelerating inequality press us to do better for each other and our environment as a global community. Challenges like these appear to demand a significant scale of action, and here the authors argue that a more creative and critical approach to scaling is both possible and essential. To encourage uptake and co-development, the authors present actionable principles that can help organisations and innovators design, manage, and evaluate scaling strategies. *Scaling Impact* is essential reading for development and innovation practitioners and professionals, but also for researchers, students, evaluators, and policymakers with a desire to spark meaningful change. scaling is both possible and essential. Uncharted Promises

Naomi McIntosh is running from her family's oppressive expectations and the loathsome man her father has demanded she marry. Renaming herself to live incognito, she takes a housekeeping job at the Inn at Falls Creek and promises God this false identity will be her last. When shepherd James Roberts goes home to the Inn at Falls Creek for his sister's wedding, he doesn't expect the woman who once broke his heart to be working there. No matter how much he wants to be with Naomi again, he can't go along with her charade, especially since he is trying to persuade his father to make him the inn's heir. Though Naomi yearns for a future with James, if she confesses her deception to everyone, her estranged fiancé will find her. And the longer James goes without telling his family the truth about Naomi--and their growing relationship--the further he jeopardizes the inheritance. But just when their relationship looks promising, the inn proves to be a poor hiding place from Naomi's past. *Uncharted Freedom* weaves past and future in a faith-filled story of life in a hidden land. Write No Matter What

New Alternate History Fantasy series created by New York Times best-selling author Kevin J. Anderson and Sarah A. Hoyt. Arcane America A new world. New magic. New history. After Halley's Comet was destroyed in a magical battle in 1759, the backlash separated the entire New World from the Old in an event known as The Sundering. Now isolated from the rest of the globe, America has become a very different place, where magic works and history has been changed forever. It is 1803—a new 1803. Young Meriwether Lewis, footloose and intrigued, goes to hear a lecture in St. Louis by the venerated old wizard Benjamin Franklin. Franklin's talk is disrupted by the attack of a winged fire-breathing beast, much like legends from Lewis's own Welsh heritage. In the aftermath, Franklin tells the young man that he knows of a great, growing evil that lurks in the uncharted Arcane Territories west of the Mississippi. Using his own vast fortune, Franklin commissions Lewis and his own talented partner William Clark to embark on a remarkable voyage of exploration, to meet and document the indigenous tribes, to find a route all the way to the Pacific Ocean—and perhaps beyond the magical veil to Europe again—and to stop the growing evil that is filling the American West. For while the Sundering separated the rest of the world and granted the original colonists unexpected magical gifts, sorcery inspired by native legends has also been ignited. And the Arcane Territories may hold unparalleled dangers for the expedition, both natural and magical. Accompanied by the brilliant shape-shifting sorceress Sacajawea, Lewis and Clark set off on an unparalleled adventure across a landscape that no European has ever seen. At the publisher's request,

A Theory of Harmony

In this introduction to natural-base music theory, Ernst Levy presents the essentials of a comprehensive, consistent theory of harmony developed from tone structure. A Theory of Harmony is a highly original explanation of the harmonic language of the last few centuries, showing the way toward an understanding of diverse styles of music. Basic harmony texts exist, but none supply help to students seeking threads of logic in the field. In a text abundantly illustrated with musical examples, Levy makes clear the few principles that illuminate the natural forces in harmony. He shows that general principles can be successfully extracted from the wealth of examples. This book actually provides a theory of harmony. One of the major musical minds of the twentieth century, Ernst Levy was born in Basel, Switzerland, in 1895. His musical career spanned more than seven decades, from his first public piano performance at age six. A naturalized U.S. citizen, he lived here from 1941 to 1966, teaching at the New England Conservatory, the University of Chicago, Bennington College, the Massachusetts Institute of Technology, and Brooklyn College. After his retirement, Levy returned to Switzerland where he continued to compose until his death in 1981. He was an enormously productive composer, with hundreds of works to his credit including symphonies, string quartets, songs in English, French, and German, and music for solo instruments and small ensembles. His piano recordings, particularly of the last Beethoven sonatas and the Liszt sonata, have become collectors' items. He thought of himself as a successor to Reimann, immediately, and Rameau, more remotely.

Bailey Colburn is safe in the Land, but her father figure, Professor Tim, never made it to Good Springs. When Bailey discovers Tim is lost in the Land's dangerous mountain terrain and out of his life-saving medication, she sets out to rescue him. Even with the help of intriguing native Revel Roberts, Bailey faces an impossible journey to save Tim. The mountains are shrouded in dark folklore and full of deadly surprises. Revel Roberts never stays in one place too long. No matter where he travels in the Land, he avoids the Inn at Falls Creek, his boyhood home and the business he will inherit. But when fearless newcomer Bailey Colburn needs Revel's help to find her friend, he joins the mission and is forced to return to the place he'd rather forget. Bailey and Revel's friendship strengthens as they need each other in ways neither of them imagined. But nothing can prepare them for what awaits in the Land's treacherous mountains. Welcome to Los Angeles, birthplace and residence of Tori Spelling. It's not every Hollywood starlet whose name greets you on a Virgin Airways flight into la-la land. But Tori Spelling has come to accept that her life is a spectacle. Her name is her brand, and business is booming. Too bad when your job is to be yourself, you can't exactly take a break. Tori finally has everything she thought she wanted—a loving family and a successful career—but trying to live a normal life in Hollywood is a little weird. With the irresistible wit, attitude, and humor that fans have come to love, the New York Times bestselling author of sTORI telling and Mommywood is back with more hilarious, heartwarming, and candid stories of juggling work, marriage, motherhood, and reality television cameras. Tori comes clean about doing her time on jury duty, stalking herself on Twitter, discovering her former 90210 castmates' "I Hate Tori" club, contracting swine flu, and contacting Farrah Fawcett from the dead. Like many mothers, she struggles to find balance (Stars, they're just like us!)-only most women don't have to battle it out with paparazzi at the grocery store. She talks openly about the darker side of life in the spotlight: media scrutiny over her weight and her marriage to Dean McDermott, her controversial relationship with Dean's ex-wife, and her unfolding reconciliation with her mother. Having it all isn't always easy-especially when you're a perfectionist-but with the help of her unconventional family and friends, an underwear-clad spiritual cleansing or two, and faith in herself, she's learning to find her happy ending. Because when you're Tori Spelling, every day brings uncharted terrITORI. *** Just when you thought sTORI time was over, the beloved Hollywood starlet has so much more to say. *** "My life has changed dramatically in the past several years. Sybil Roberts uses the warmth of delicious meals to lift the spirits of road-weary travelers at The Inn at Falls Creek. Her life at the inn would be perfect if she could just get her brothers and mother to move back home. And if she could see Isaac Owens again. He visited the inn once when he interviewed for the farm manager job, and she's dreamed of his return to Falls Creek ever since. Isaac Owens knows how to run a farm. His family might not have faith in him, but if he succeeds at Falls Creek, he'll prove them wrong. He arrives at the inn thinking the job is his, but the inn's senile owner offered the position to another man too. Isaac must spend the winter competing if he wants to win the job and Sybil's heart. It will take more than warm meals on cold nights for Sybil and Isaac to find love while working at the isolated inn. Anthem

A Distant Hope

It's 1863, and schoolteacher Olivia Owens believes education should be a top priority in the newly established settlement of Good Springs. Between planning lessons and helping out on her family's homestead, Olivia doesn't have time for Gabriel McIntosh's charming advances. When the council denies her request to build a schoolhouse, Olivia must challenge their ruling and teach private lessons—all while hiding frequent bouts of word blindness (dyslexia). If the council knew the new teacher couldn't

always read, they wouldn't allow Olivia to teach anymore. As a carpenter, Gabe McIntosh is working hard to help build the settlement of Good Springs, and once his land is granted, he begins constructing his own house. When Olivia discovers he plans to share it with her, she guards her heart from him. But Gabe is determined to win her affection and figure out what she's hiding.

As an amateur botanist, Marian eagerly anticipates exploring a new land. She boards Providence confident in the group's plan, but during the voyage, her heart is drawn to Jonah Ashton, the secretive and sullen ship's physician.

All Things Beautiful

A NEW YORK TIMES BESTSELLER WINNER OF THE NATIONAL BOOK AWARD FOR NONFICTION 'A major book that I suspect will come to be considered among the essential memoirs of this vexing decade' New York Times Book Review In 1961, Sarah M. Broom's mother Ivory Mae bought a shotgun house in the then-promising neighborhood of New Orleans East and built her world inside of it. It was the height of the Space Race and the neighborhood was home to a major NASA plant - the postwar optimism seemed assured. Widowed, Ivory Mae remarried Sarah's father Simon Broom; their combined family would eventually number twelve children. But after Simon died, six months after Sarah's birth, the house would become Ivory Mae's thirteenth and most unruly child. A book of great ambition, Sarah M. Broom's *The Yellow House* tells a hundred years of her family and their relationship to home in a neglected area of one of America's most mythologized cities. This is the story of a mother's struggle against a house's entropy, and that of a prodigal daughter who left home only to reckon with the pull that home exerts, even after the Yellow House was wiped off the map after Hurricane Katrina. *The Yellow House* expands the map of New Orleans to include the stories of its lesser known natives, guided deftly by one of its native daughters, to demonstrate how enduring drives of clan, pride, and familial love resist and defy erasure. Located in the gap between the 'Big Easy' of tourist guides and the New Orleans in which Broom was raised, *The Yellow House* is a brilliant memoir of place, class, race, the seeping rot of inequality, and the internalized shame that often follows. It is a transformative, deeply moving story from an unparalleled new voice of startling clarity, authority and power.

Anthem takes place in a dark, dystopian future. Collectivism and socialist economics have driven mankind to a technological standstill. The individual is not acknowledged in this society, the word "I" having been eliminated from speech altogether. Rand explores the tension between collectivism and individualism and equates the errors or triumphs of these with socialism and capitalism.

When her past keeps her from love, she needs the hope of redemption. Mandy Foster spends her days building musical instruments and her nights regretting her past. If anyone discovers her secret, tradition dictates the village must shun her. She guards her heart with skillfully played songs and flirtatious smiles. Breaking from the Land's tradition, carpenter Levi Colburn is building his house outside the village--across the road from Mandy to be exact. Though he's been in love with Mandy since their school years, she rejected him once and has been unattainable to every man in the village ever since. When Mandy's life is in danger, it's up to Levi to rescue her. But will she accept the tender care of the one man who truly loves her? Uncharted Inheritance

From the #1 New York Times bestselling author of *The Nightingale* and *The Great Alone* comes an incandescent story about the resilience of the human spirit, the triumph of hope, and the meaning of home. In the rugged Pacific Northwest lies the Olympic National Forest--nearly a million acres of impenetrable darkness and impossible beauty. From deep within this old growth forest, a six-year-old girl appears. Speechless and alone, she offers no clue as to her identity, no hint of her past. Having retreated to her western Washington hometown after a scandal left her career in ruins, child

The Art of Uncharted 2: Among Thieves

Uncharted Territory

Planetary surveyors Fin and Carson battle hostile terrain, bureaucratic red tape, and renegade "planet crashers" in this latest novella by the talented author of *Doomsday Book*. Connie Willis continues to demonstrate her endless versatility in this archly written satire, which is both a love story and a shameless expose of the dark side of political correctness.

Uncharted Redemption

A plane crashes on a desert island and the only survivors, a group of schoolboys, assemble on the beach and wait to be rescued. By day they inhabit a land of bright fantastic birds and dark blue seas, but at night their dreams are haunted by the image of a terrifying beast. As the boys' delicate sense of order fades, so their childish dreams are transformed into something more primitive, and their behaviour starts to take on a murderous, savage significance. First published in 1954, *Lord of the Flies* is one of the most celebrated and widely read of modern classics. Now fully revised and updated, this educational edition includes chapter summaries, comprehension questions, discussion points, classroom activities, a biographical profile of Golding, historical context relevant to the novel and an essay on *Lord of the Flies* by William Golding entitled 'Fable'. Aimed at Key Stage 3 and 4 students, it also includes a section on literary theory for advanced or A-level students. The educational edition encourages original and independent thinking while guiding the student through the text - ideal for use in the classroom and at home.
