Uncle John's Perpetually Pleasing Bathroom Reader

There's this boy. Let's say he's somewhere between nine and thirteen years old or so. You'd like to see this kid get creative. You'd like to see him get some exercise. You'd like to see him get out from in front of the television. And you'd love for him to be motivated enough to find some stuff to do on his own. This boy NEEDS The Big Book of Boy Stuff! What do I do if I get a bean stuck up my nose? How can I make lightning without killing myself? Where can I find new practical jokes to play on my friends and family? How can I make a rocket? What is the best way to poop outside? How do I tell a girl I like her? Why would I tell a girl I like her? How many mosquitoes does it take to suck all the blood out of a person? What's that smell? . . . and many, many more! This big, thick, durable book includes fascinating chapters on gross stuff, magic, emergencies, fireworks, games, experiments, jokes, activities, insults, pets, flying things, and, of course, duct tape. No boyhood is complete without a copy!

Uncle John's Legendary Lost Bathroom Reader

This story of Thomas Jefferson's children by one of his slaves, Sally Hemings, tells a darker piece of America's history from an often unseen perspective--that of three of Jefferson's slaves--including two of his own children. As each child grows up and tells his story, the contradiction between slavery and freedom becomes starker, calling into question the real meaning of "life, liberty, and the pursuit of happiness." This poignant story sheds light on what life was like as one of Jefferson's invisible offspring.

From the world leader in fascinating facts and amusing true stories comes a book about how to feed, clothe, and protect yourself in the wilderness...and might even make you want to avoid anything resembling the wilderness forever. For more than 25 years, Uncle John's Bathroom Reader has helped you learn amazing things you didn't know. Now, Uncle John will show you how to do things you didn't know how to do...and probably should never, never, never actually do, unless you're in a survival situation and really, really, really need to do. It's How to Fight a Bear and Win. A new approach to survival guides and how-to books, this book provides step-by-step instructions for how to make do in any rugged terrain. But if you're expecting "how to start a fire," think again. This isn't the kind of book that will tell you how to make a fire by rubbing two sticks together—it will tell you how to make a fire using a car battery. It will also tell you: How to swing from a vine like Tarzan How to land an airplane in an emergency How to fight a bear...and win How to perform emergency surgery in the woods How to identify what insects you can--and cannot--eat And lots, lots more.
