Smoke. Shadows. Moody strains of jazz. Welcome to the world of "noir musical" films, where tormented antiheroes and hard-boiled musicians battle obsession and struggle with their music and ill-fated love triangles. Sultry divas dance and sing the blues in shrouded nightclubs. Romantic intrigue clashes with backstage careers. In her pioneering study, *Music in the Shadows*, film noir expert Sheri Chinen Biesen explores musical films that use film noir style and bluesy strains of jazz to inhabit a disturbing underworld and reveal the dark side of fame and the American Dream. While noir musical films like *A Star Is Born* include musical performances, their bleak tone and expressionistic aesthetic more closely resemble the visual style of film noir. Their narratives unfold behind a stark noir lens: distorted, erratic angles and imbalanced hand-held shots allow the audience to experience a tortured, disillusioned perspective. While many musicals glamorize the quest for the spotlight in Hollywood's star factory, brooding noir musical films such as *Blues in the Night*, *Gilda*, *The Red Shoes*, *West Side Story*, and *Round Midnight* stretch the boundaries of film noir and the musical as film genres collide. Deep shadows, dim lighting, and visual composition evoke moodiness, cynicism, pessimism, and subjective psychological points of view. As

in her earlier study of film noir, *Blackout: World War II and the Origins of Film Noir*, Biesen draws on extensive primary research in studio archives to situate her examination within a historical, industrial, and cultural context.

Dream Songs & Shadows

"Barbara Freethy is always at the top of her game writing a suspenseful, heartwarming story from start to finish. *WHEN SHADOWS FALL* is truly a page turner you don't want to put down and it will warm your heart." Faye Olivia Bennett is a biographer, a narrator of lives far more interesting than her own. When she volunteers to write down the memories of Eleanor Callaway, an elderly woman suffering from Alzheimer's, she gets caught up in a compelling story of a great love and a terrible secret. Suddenly, she is no longer a spectator but an investigator, and in her quest for the truth, she not only finds herself at odds with Eleanor's sexy and very protective grandson Colton Callaway, but she also discovers a more personal connection to Eleanor's past. Colton is a firefighter, a man used to going after what he wants and getting it. He pushes the limits, takes chances, and is willing to risk everything to save a life, especially if that life belongs to his grandmother. As Olivia and Colton stir up the

smoldering embers of the past, they soon come to realize that the greatest danger may not come from those who want to protect their secrets, but from each other. The one thing neither of them has ever been willing to risk is their heart. What the readers are saying... "I am left speechless. Each Callaway makes me fall in love a bit more. In WHEN SHADOWS FALL, Colton and Olivia are perfection. They shine brightly and leave you with no doubts about their HEA. Thank you Barbara Freethy for another well written heart touching testament to all that is good and right in our world." Shannon "Barbara Freethy does it again, with characters so real and a mystery that has been simmering through the series. The idea that someone getting who you really are can be life changing is very real for me. A great story. I'd recommend it for anyone who enjoys Nora Roberts, Marie Force, Robyn Carr or Susan Mallery." Libby "I found WHEN SHADOWS FALL intriguing, fun and full of hope. I like how all the characters of the Callaway family are mentioned and entwined into the story but the author never loses focus on the main characters . I always look forward to her next story." Christy "This series is awesome! Barbara Freethy is an amazing author who brings you into the book like you are part of the family. Not having a big family, I really love reading all the family dynamics and the characters are just great! If you haven't read anything by Barbara Freethy, go get something, you will not be

Hannah is distraught when her parents are murdered—but what makes it worse is that she should have been at home with them . . . not meeting her forbidden love, Reece. Unable to face the community and her guilt, she runs away and marries him. But Reece isn't the man she thought he was. He controls her completely, and when she gets pregnant—against his wishes—he pushes her down the stairs as she approaches her due date. When she wakes in the hospital and he tells her the baby died, she knows she's had enough. She runs again. Years later, Hannah has become an expert on Amish quilts, and her visibility allows Reece to track her down. He begs her to come back, saying he's changed—and sends her a picture of their daughter. This couldn't be real, could it? Hannah is certain this is just another way he's trying to manipulate her, but the chance, no matter how slight, of seeing her daughter won't leave her mind. When another member of her old community is found murdered—by the same poison that killed her parents—old fears surface. Was Reece the one who killed her parents in order to get her away? And is he killing again to get her back? *This novel was originally published as Anathema.
