If you want to discover a new way to use Candles, or if you are willing to learn more about Candles and Wicca Magic, then you've come to the right place. There are so many times when people decide to begin something new and then find out that they will never feel anything anywhere close to a level of success because the new hobby they decided to try just won't work for them. Maybe it is too expensive, or too time-consuming, or just too difficult to learn. This just will not happen if you decide to learn how to cast a spell using candles, or in other words, if you choose to learn the art of candle magic. And choosing this book, Wicca Candles by Wendy Crystal, is the best decision you could possibly make. Because this is the consummate book to help you learn all you need to know about Wicca candle spells and candle magic. Inside this book is all of the secrets to make you successful as you begin your journey into the world of candle rituals and spells. You will learn: what makes a good candle spell and how to create your own differences between types and colors of candles and what those types and colors are how to choose candles according to your magical goals how to charge and prepare candles and environment for spells how to significantly increase the power of your spells how to cast your spell according to Moon phases, days of the week and astrological signs how to make your own candles at home practical candle spells (basic, healing, protection, wellbeing and more) Did you know that there are certain meanings to each color? Did you know that herbs have a specific meaning and use other than flavoring foods? Did you know that the Moon exerts a great deal of influence on the people of the Earth and the things that they do and the way that they feel? Wicca Candles by Wendy Crystal will explain all of these things and more. And besides learning how shape and color affect the performance of a candle and how certain herbs will make your spells more powerful, you will also get a crash course into the art of making your own candles. Even if the word "Magic" sounds new to you, you will be able to cast your spells in no time! The wiccan beliefs many people practice today can trace their ancestry back to our ancient stone age past. Evidence for the beginnings of the long history of wicca can first be seen in the cave paintings of the Pyrenees areas of France and Spain dating from around 17,000 years ago. Concerned with success in hunting these paintings are usually very far underground and are clearly intended to invoke the aid of the goddess of mother Earth. A great change in the history of wicca came with the spread of farming in Europe around 10,000 years ago. The people relationship with the land changed and their need for a wider range of deities to help and protect them expanded. Evidence of elemental Gods now become more common with Gods and Goddesses of wind, rain, thunder and fertility being added to the old Sun God and moon Goddess and the history of wicca starts to become more familiar to us. The older gods of the hunt retreated back into the woods and forests and became gods of nature and the "wild wood" usually represented by the horned figure of Herne the Hunter or the leafy Green Man. In this comprehensive guide, you'll find: -History of wicca -the origins of wicca -Principles of wicca -Benefits of witchcraft -Myths about witches elements and personalities -candle magic t -Types of candles -Candle colors and their meanings -Preparation for candle magic -Anointing your candles -Setting up of a simple pagan or wiccan altar -How to perform a wiccan ritual -How to cast a wiccan circle -wicca candle spells -A spell to heal a marriage or relationship -moonlight love attraction spell -A Spell To Make Your Dream Job Yours -Banishing depression -Spell For Courage Misconceptions About Wiccans Wiccans worship the devil Often confused with Satanists, followers of Wicca do not believe in the devil. The concepts of the devil and hell are part of Christian theology and have never existed in the Wiccan religion, according to "Wiccan Beliefs and Practices Wiccans also do not believe in one almighty God, but in many gods and goddesses, This places Wicca in the same category as Buddhism and Hinduism as a polytheistic religion. Wiccans sacrifice animals Since Wicca is a nature-based religion, followers are encouraged to respect all living things. Wiccans make sacrifices or offerings to their chosen deities, but these offerings are usually bread, fruit, wine or flowers Wiccans have a "dark Bible" There is no bible that Wiccans follow. Wiccans may make a "Book of Shadows" for themselves, or may pass one down from a teacher of the faith to his or her student, but that BoS serves as a reference book. 160 magical workings within are designed for beginners and more advanced practitioners alike. Book of Candle Spells Book of Candle Spells focuses on working with the Element of Fire, and the potent vibrational frequencies of the visible light spectrum. Candles take center stage to varying degrees across this collection. Some spells are focused exclusively on the combined magic of candle and color, while others incorporate additional tools such as crystals and other color-appropriate ingredients. The spells are also organized by color, with chapter introductions detailing the magical properties and uses for the 14 colors most widely used in Wiccan and other contemporary magic. Book of Crystal Spells Book of Crystal Spells is devoted to the magical uses of the 13 crystals and other mineral stones introduced in Crystal Magic. Many of these spells are focused on aspects of emotional healing and energetic balancing, two purposes that crystals are uniquely suited for, but you'll also find more traditional goals represented, like prosperity, protection, and relationships. The spells are organized by stone, rather than by purpose, so you can develop a magical connection with different types of crystals, one at a time. You'll find an overview of the properties of each stone in the chapter introductions. Book of Herbal Spells Book of Herbal Spells builds on the information from Herbal Magic, with a chapter for each of the 13 herbs featured in the original book. Single herbs are often the main focus of these spells, with minimal additional ingredients, to help you focus your attention on the subtle energies of the herbs themselves. As you work more and more with herbal magic, you will develop a natural affinity with these marvelous plant beings that have been co-creating with magical people since the beginning of time. Magical Workings for Any Experience Level The practice of magic is a lifelong path, with delightful and rewarding results that can transform our lives. Everything You Need to Know to Start Working With Magical Crystals Today Since the beginning of recorded history, people have revered the beauty and power of crystals and other mineral stones, incorporating them into religious artwork, weaponry, healing techniques and-of course-magic! From the quartz talismans of Egyptian pharaohs to the Aztec ceremonial masks of turquoise, malachite and jade, these natural delights have been prized by cultures all around the globe. Today's practitioners of the magical arts use crystals for a variety of powerful workings related to health, wealth, love, protection, divination and more. Whether it's in the form of an elixir for imbibing confidence-promoting energies, a small polished stone placed with herbs in a love sachet, or a favorite crystal emitting positive vibrations in your sacred space, crystals and other mineral stones are powerful and highly versatile tools of magic. In Crystal Magic, Wiccan author Lisa Chamberlain explores the many magical uses of these natural beauties and the underlying Universal forces that make it all work. But while this guide is written from the perspective of Wiccans and other Witches, you need not consider yourself a Wiccan or a

Witch to benefit from the magical power of crystals and stones. As you will see within these pages, the energies of these Earth creations are universal and can be harnessed by anyone, anytime. So whether you're new to magic, new to crystals, or new to both, you'll find this guide to be an invaluable resource for your spiritual practice. Most books about crystal magic fall into one of two categories: encyclopedias and spell books. While there are some wonderfully comprehensive encyclopedia-style books out there that describe the magical properties of hundreds of different crystals and stones, they tend to provide little or no practical information about using them in spellwork. Likewise, there are a few good practical books that focus on crystal-centered spells, but they don't tell you much about the nature and properties of the crystals and stones involved in the work. Crystal Magic was created to bridge these two worlds by incorporating both elements: a solid overview of 13 widely-used crystals in Wiccan magic, along with a comprehensive look at their practical applications in everyday spellwork. This approach is especially handy for those who are just beginning to build a collection of magical stones, since the spells themselves use only the stones featured in the guide! Foundations of Crystal Magic Of course, it's not enough to simply buy a few pretty stones and say some magic words over them. You have to build a personal relationship with your crystals if you want to work with them successfully. This guide will help you to do just that, with plenty of need-to-know information, including: - How crystals and mineral stones are formed in the Earth and how they're classified - How their unique energetic vibrations can help you shape the reality of your daily life on the physical, emotional, and spiritual planes - Profiles of 13 of the most widely used crystals and stones in contemporary Witchcraft - How to choose and care for your own crystals, including clearing and charging them for use in magic - How to harness the projective and receptive energies of crystals - Several spells and magical workings using crystals, including elixirs, candle spells and charms By the end of this guide, you'll have a solid foundation from which to build your own practice of working with crystals. But be sure to let the stones themselves guide you as well-they are natural teachers from deep inside the Earth and can aid you on your path no matter where it leads you! Finally learn the secrets behind casting strong fire spells and making them work faster and more effectively than ever before! Do you feel like your candle spellcasting is not as strong as it could be? Do you feel like your fire spells aren't as fast and effective as they could be? What if I told you that there was a way to strengthen your spellcasting techniques and make your fire spells work faster and more effectively than ever before!? Well the solution has arrived and is in this book! Fire has captivated people since pre-Homo sapiens times, and in many religions, fire was worshipped and used in major rites and rituals because of its magical powers. Fire element, as in bonfire, candles or oil lamps, have been used in ritual and magic since time immemorial. Even today, whenever you use a candle, what you are doing is using fire magic. For example, lighting candles for a special-occasion dinner (to create a romantic mood), or blowing out candles on a birthday cake (after making a wish), or lighting a candle in a church for the dead, etc. These are only some examples of how we still use candle magic in everyday life, without even being aware of the magic we are trying to create. Fire magic can be extremely powerful but use the wrong techniques and your fire spell will be as useless as a glass hammer which means you may even do more harm than good to yourself! When it comes to Wicca Candle Magic, knowledge of how to adapt your spells to you is key and this book will focus on this aspect to strengthen your spells and spellcasting abilities altogether. Here are some of the things you'll learn in this book:-

centuries, if not millennia. As I'm sure you're well aware, Fire plays a big part in several of the Sabbats. During ancient times when Sabbats, like Samhain, were celebrated, large bonfires would be lit to help celebrate them. You could view these large bonfires as the first form of candle magic. Then, the ancient Egyptians created the first beeswax candle in 3000 BCE, and the rest is history. Candles have so many uses in Wicca and magic. They have the ability to be any color you need, so that they match up with your intention. You can easily carve symbols and words in them, and they can be molded into different shapes. Then they are the most common representation of the element of Fire on an altar. This book is here to teach you all about candles and how you can use them in your spell work to harness all of their power. You will learn: - The use and power of Fire in Wicca and spell work - How numerology can factor into candle magic - Rituals you can perform using candles - How to match your candle magic with the best time - How to get your candles ready for your spells. - And much more. Candles are one of the most inexpensive and easily found tools for magic. They come in all shapes and sizes, and you can even get fragranced ones if you like adding the smell to your work. They are amazing tools and are beautiful. The simple act of lighting a candle can change the mood of a room. You don't even have to perform a formal ritual or spell to harness their magic. A candlelit dinner with your significant other using a pink or red candle can add more spice to your love life. A candlelit dinner at Samhain with black candles honors the loved ones who have past. And who wouldn't love a candlelit Yule dinner with red and green candles? As you can see, candles are an amazing tool and one that you likely already have a lot of in your home already. They are the easiest tool to use in just about any other type of magic as well. Rolling candles in herbs is a common practice, and you can even have candle holders made out of various crystals. You want to discover and practice Wicca Magic, but you don't know how to start? Wicca Candle Magic is the easiest way to get close to magic! A burning candle is one of the simplest forms of magic. The use of candles in magical rituals is lost in history. The candle symbolizes light not only in the physical but also in the spiritual sense. In many traditions, not only for Wiccans, the flame symbolizes purification and spiritual love. The light of the fire opposes the darkness and the Evil. Those who practice rituals, therefore, use the Candles for their unquestionable right action. In this book, you will learn: - The Power of Fire - How to practice Candle Magic - Choosing the right candles - Candle colors correspondences - Candle Magic Spells and Rituals - Create your candles and design your Spells - Fire Magic Ceromancy has always been a widely used form of divination. Wicca magic is in every respect a religion, born from pagan rites and beliefs, which were later considered witchcraft. Wicca is very close to green magic because of its symbiosis with nature but constitutes a world apart.

Would you like to add an extra spark of power to your magical practice? Are you drawn to candles? Do you already own a bunch of candles but don't really use them? If you answered yes to any of these questions, you would want to continue reading. Wicca Candle magic is just another form of magic that anybody can access if they choose to. Within this type of magic, candles act as the container for your magic. They help to intensify your intentions and even give you a space to write down your intention. Candles may seem like a simple tool that you use to light your house when you have no power, but they aren't. They wield the power of all of the elements in one. Candle magic also shouldn't be seen as difficult. In fact, it is probably one of the easier forms of magic to start using because it is such a powerhouse tool in your practice. The main thing you need to learn about candle magic is what the various colors mean. The candles' colors should match up with the intention of your spell, but even then, you can default to a simple white candle if you can't find the correct color. This book will help to guide you through everything you need to know when it comes to candle magic. It will ensure that you know how to perform your spells with confidence. In this book, you are going to learn about: - What candle magic is, and why it is so powerful - How to pick out the best candles for your spells - The best way to use your candles - How to anoint and inscribe your candles for added power - Recipes for creating your own anointing oils using herbs - Over 17 candle magic spells that you can start practicing And much more. Candles should be a big part of any witch's practice. They are easy to use, and yet they pack a powerful punch. You'll know for certain that you are meant to practice candle magic if your house is already lined with candles. Candles also play an important part in your practice in ways other than spells. They are often lit on Sabbats and Esbats to honor your deities and help set the mood for special occasions. When you build up your candle collection, you will be ready for any moment in life. There is a reason why we blow out candles on our birthday and make a wish. Most people have been practicing candle magic without knowing it. There are quite a few traditions that society has picked up that revolve around candles taken from old Pagan practices. We have just been conditioned to believe they are some cute thing we tell kids to do. The truth is, Candles hold a lot more power than we give them credit.

Wicca Candle Magic

Wicca does not follow the written word of man but instead follows the awesome, divinity of Nature, the Moon, the Sun, and the Seasons. Wicca pulls from old traditional witchcraft but they are NOT the same. Wicca is a deep appreciation for nature. Witchcraft foster free thought of individuals. Witchcraft and Wicca is not a cult. The people of this religion do not worship the devil or Satan. There are no sacrifices and we take an oath to do "Harm None." The most important thing to remember about candle colors is that the color chart does not matter nearly as much as what the color means to you. For example, the chart states green represents money however, to you, gold may represent money. How you feel gives you the most power. The color is all about preference and personal connection in candle magic spells. You should never feel as if you have to follow another person's guide. Always do what feels right for you but remember to never interfere with free will. Candle Magic for Beginners Like Never BeforeThis book is your go-to source for learning candle magic. It's a no frills hands-on book that is packed with useful information and tips and is easy to use even by those who have never practiced magic before. This book goes beyond a simplified guide; it becomes a source of magic and power. I wanted to create a place of self-exploration where the reader will learn something about themselves whilst reading / practicing candle magic. This is why I have included subjects which are often kept away from a beginner's guide: hexing, banishing, why your spells failed, the mindset behind successful magic, how to protect yourself against others magic, how to break a spell you have created, a step-by-step process to creating your own spells, and much more. Alongside that you have an easy guide to candle magic containing a colours table, an easy to understand and remember herbs table, magic oil recipes, spells with full instructions and chants. Magic doesn't have to be this complicated rocket science. It's easy, fun and introspective in such a way the learning comes from within. So here is to the brave, the ones who make their own magic!

Everything You Need to Know to Start Working Candle Magic Today The use of fire is universal in religious and spiritual practices throughout the world. However, it could be said that Wicca and Pagan traditions are where fire really takes center stage, whether it's a ritual bonfire, tall candles honoring the

Goddess and God, or small tea lights marking the boundaries of the sacred circle. One of the most delightful ways to work with the transformative Element of Fire is through candle magic. Simple, elegant, and highly symbolic, candles make it easy to work with this power in the form of a single, mesmerizing flame. Candle magic is a way of harnessing the unseen energy of the Universe into particular thoughtforms that work to effect a change in the physical world-whether that change is tangible, like more money in your pocket, or intangible, like a more positive outlook on a situation that once seemed hopeless. Candle magic is not only powerful, but is also regarded as the easiest and most simple form of magic for beginners to learn. This makes it an ideal starting point for anyone looking to start practicing Witchcraft. But while this guide is written from the perspective of Wiccans and other Witches, you need not identify with these paths to benefit from the practice of candle magic. No matter your spiritual leanings, you will find valuable, empowering information within these pages. Unlike many other books on this fascinating topic, Lisa Chamberlain's *Candle Magic* goes beyond simply providing spells and a brief list of color correspondences. While these are certainly essential components of a book on candle magic, there's a much bigger picture to understand. Using core concepts found in the ancient wisdom of the Hermetic Principles, as well as long-held traditions of color associations relating to specific goals, Lisa takes readers through a step-by-step explanation of how fire and color work together to manifest the changes you seek. Rather than wondering whether magic works, you will actually know how it works, which tremendously strengthens your odds of success! Foundations of Candle Magic Although candle magic can be delightfully simple, there's still more to it than just lighting a votive and saying a few words out loud. Like any other art, there are technical (not to mention safety) considerations, as well as other "tricks of the trade." In this guide, you'll find: - Core concepts underlying the "why" and "how" of candle magic - Practical tips for selecting candles based on your magical aims - Instructions for clearing, charging, anointing and inscribing your candles - Candle spells for love, prosperity, healing and more - Instructions for making your own herb-infused anointing oils - Tips for timing your spellwork in accordance with Moon phases and the days of the week - Suggested sources for further reading for those who want to explore candle magic further - Tables of correspondence with colors, herbs and oils, and days of the week for easy reference With the help of this guide, along with some patient practice, you will soon be discovering your ability to shape the circumstances of your life through the power of candle magic. Once you get the hang of it, you'll realize that the possibilities are truly endless! If you're ready to learn about the magic of candles, scroll to the top of the page and select the buy button.
